

L. Kay Bartholomew
Curriculum Vitae

GENERAL BIOGRAPHICAL INFORMATION

Address

1200 Herman Pressler
Houston, TX 77030
713-500-9630 Work
Leona.K.Bartholomew@uth.tmc.edu

Education

- 1990 Ed.D. Educational Psychology / University of Houston
Dissertation: *The development of self-efficacy and outcome expectation instruments related to the self-management of cystic fibrosis.*
Houston, Texas: University of Houston, 1990.
- 1978 M.P.H. University of Texas School of Public Health
- 1974 B.A. Psychology / Austin College, Sherman, Texas

PROFESSIONAL EXPERIENCE

Academic Appointments and Employment

- 2003-Present Associate Professor of Behavioral Sciences and Health Promotion – Tenure Track, University of Texas Health Science Center – Houston, School of Public Health
- 2006 Visiting Professor of Health Promotion, University of Maastricht, The Netherlands
- 2000-2005 Associate Director, Center for Health Promotion and Prevention Research, University of Texas Health Science Center – Houston, School of Public Health
- 2000-2003 Associate Professor of Behavioral Sciences and Health Promotion – Research Track, University of Texas Health Science Center – Houston, School of Public Health
- 1995-2000 Assistant Professor of Behavioral Sciences and Health Promotion, University of Texas School Health Science Center – Houston, School of Public Health
- 1994-1995 Visiting Assistant Professor, Center for Health Promotion Research and Development, University of Texas Health Science Center – Houston, School of Public Health
- 1995-Present Adjunct Faculty, Department of Pediatrics, Baylor College of Medicine
- 1991-1995 Assistant Professor, Department of Pediatrics, Baylor College of Medicine

2/7/2007

1992-1995 Adjunct Assistant Professor, Behavioral Sciences/Health Promotion and Health Education, University of Texas Health Science Center – Houston, School of Public Health

1989-1991 Research Instructor, Department of Pediatrics, Baylor College of Medicine

1987-1995 Director of Health Education, Texas Children's Hospital, Houston

1985 Adjunct Faculty, School of Allied Health, Division of Health Education, University of Texas Medical Branch at Galveston

1986-1987 Manager of Health Education, Texas Children's Hospital, Houston

1980-1986 Coordinator of Health Education, Texas Children's Hospital, Houston

1978-1980 Health Services Research Associate, J. Robb Associates Inc. Houston

1977 Health Services Research Intern, Kaiser Foundation Hospitals, Health Services Research Center, Portland, Oregon

1974-1976 Health Educator, Denison-Sherman-Grayson County Health Department, Sherman, Texas

1971-1974 Counselor, Girl's Adventure Trails (therapeutic program for adolescents). Dallas

Certifications

Certified Health Education Specialist (CHES)

Asthma Educator Certified (AE-C)

RESEARCH

Active Research Support

Initiation of Colon Cancer Screening in Veterans

National Cancer Institute, Grant

2007-20012

Total Direct Cost: \$2,495,027

Co-Principal Investigator (S. Vernon, PI) 15% Time

SIP 11-04: Development and Evaluation of Messages to Address Safety and Adverse Event Concerns about Influenza Vaccination among Adults

Centers for Disease Control and Prevention

2004 – 2006 (2007 no cost extension)

Total Direct Cost: \$201,684

Principal Investigator 10% Time

SIP 21-04: Community Interventions in Non-medical Settings to Increase Informed Decision Making (IDM) for Prostate Cancer Screening

Centers for Disease Control and Prevention
2004 - 2007
Total Direct Cost: \$1,491,685
Co-Principal Investigator (E. Chan, PI) 10% Time

Improving Blood Pressure Treatment in the Community: A Joint Project of the National High Blood Pressure Education Program and Antihypertensive and Lipid-Lowering Heart Attack Trial (ALLHAT) Collaborative Research

National Heart Lung and Blood Institute, Grant
2004-2006
Total Direct: \$2,570,000
Co-Investigator (B. Davis, PI) 20% Time

Tailored Interactive Intervention to Increase Colorectal Cancer Screening

National Cancer Institute, Grant
2002-2007
Total Direct Cost: \$1,787,445
Co-Investigator (S. Vernon, PI) 20% Time

Texas Prevention Research Center (TPRC) – Core Activities

Centers for Disease Control and Prevention, Grant
2003 - 2004
Total Direct Cost: \$745,708
Co-Investigator and Director of the Continuing Education for Health Promotion Program

Supplement to Tailored Interactive CRCS Intervention

National Cancer Institute, Grant
2005-2007
Total Direct Cost: \$275,000
Co-Investigator (S. Vernon, PI)

Active Training Grant Support

Training Grant: Behavioral Science for Cancer Prevention and Control

National Cancer Institute, Grant
2003-2008
Total Direct Cost: \$2,500,000
Co-Principal Investigator, Curriculum Director 10% Time

H-E-B Immunization Fellowship Program

H-E-B Grocery Inc., Grant
2003-2006
Total Cost: \$300,000
Co-Principal Investigator 5% Time

2/7/2007

Pending Research Support

Chronic Illness Self-management in Children

National Heart Lung and Blood Institute, Grant
Educational Development Corporation and
Harvard University School of Medicine
2007-2012
Total Direct Cost: \$2,442,34
Co-Investigator (W. Robinson, PI)

Formative Study of Tailored Survivor Health Promotion

National Cancer Institute, Grant
2007-2009
Total Direct Cost: \$309,961
Principal Investigator 10% Time

Completed Research Support

Dissemination Supplement for Project Home Project to Increase Breast Cancer Screening among Women Veterans

National Cancer Institute, Grant
2003-2004
Total Direct Cost: \$125,674
Co-Investigator (S. Vernon, PI) 5% Time

School Asthma Screening and Intervention

Centers for Disease Control and Prevention, Grant
1999 – 2002
Total Direct Cost: \$622,064
Principal Investigator

Study of the Effectiveness of Action Plan Use on Outcomes in Adult Asthma

MacDonald Fund, St. Luke's Episcopal Hospital, Grant
1998-2001
Total Direct Cost: \$37,646
Principal Investigator

School Family and Health Care Partners in the Management of Asthma in School Children: Development and Dissemination of a Model Program

Episcopal Health Charities, Grant
2000-2003
Total Direct Cost: \$240,544
Principal Investigator

National Cooperative Inner-City Asthma Stop Asthma - A Management Program for Minority Families

National Institute of Allergy and Infectious Diseases, Grant
Baylor College of Medicine
1996-2001
Total Direct Cost: \$491,391
Principal Investigator, Sub-contract (S. Abramson, PI)

Texas Prevention Research Center (TPRC) – Familias y Escuelas Unidas Para Controlar Asma (Families and Schools Together to Control Asthma)

Centers for Disease Control and Prevention, Grant
1998-2003 (2004, No Cost Extension)
Total Direct Cost: \$500,000
Co-Principal Investigator

A Validated Asthma Questionnaire for Healthcare Workers

Centers for Disease Control and Prevention, National Institute of Occupational Safety and Health, Grant
2001-2004
Total Direct Cost: \$350,000
Co-Investigator (G. Delclos, PI)

Texas Prevention Research Center (TPRC) – Core Activities

Centers for Disease Control and Prevention, Grant
1998-2003
Total Direct Cost: \$845,680
Co-Investigator and Director of the Continuing Education for Health Promotion Program (S. Tortolero, PI)

Development of a Community Intervention for Early Stroke Treatment

T.L.L. Temple Foundation, Grant
1997-2000
Total Direct Cost: \$1,000,000
Co-Investigator (L. Morgenstern, PI)

Partners in School Asthma Management Program

National Heart Blood and Lung Institute, Contract
1995-2000
Total Direct Cost: \$1,869,135
Principal Investigator

Developing and Implementing at the State and Local Level Educational Strategies and Interventions for Controlling Asthma in Inner City and High-Risk Populations

National Heart Lung and Blood Institute, Contract
Macro International
1993-1996
Total Direct Cost: \$204,395

Principal Investigator, Sub-Contract (B. Gold, PI)

Study of the Implementation of a Self-Management Program for Families of Children with Cystic Fibrosis

Texas Institute for Research and Rehabilitation Foundation, Grant
1992-1993; Total Direct Cost: \$44,000
Principal Investigator

Demonstration of a Management Program for Parents and Other Caretakers of Children with HIV

Health Resources Services Administration, Maternal and Child Health Division, Grant
1991-1993
Total Direct Cost: \$177,136
Co-Principal Investigator (M. Chacko, PI)

An Evaluation of a Health Care System to Enhance Medical Self-Management and School Participation for Children with Rheumatic Disease

Health Resources Services Administration, Maternal and Child Health Division, Grant
1990-1994
Total Direct Cost: \$375,000
Co-Principal Investigator (M. Chacko, PI)

Development of a Model Training Program to Improve Disease Management Skills for Primary Caregivers of HIV-Infected Children

Health Resources Services Administration, Maternal and Child Health Division,
Supplemental Grant
1990-1992
Total Direct Cost: \$96,707
Co-Principal Investigator (M. Chacko, PI)

Educational Program to Train Volunteers and Foster Families to Work with HIV-Positive Children

Health Resources Services Administration, Maternal and Child Health Division, Grant
1990-1992; Total Direct Cost: \$130,101
Co-Principal Investigator (M. Chacko, PI)

Study of the Effectiveness of Health Education for Cystic Fibrosis

National Heart Lung and Blood Institute, Grant
1987-1993
Total Direct Cost: \$1,688,665
Co-investigator and Project Director (D. Seilheimer, PI)

NATIONAL SCIENTIFIC PARTICIPATION

Review Committees and Expert Panels

National Institutes of Health, National Heart Lung and Blood Institute, Panel to Plan a Special Issue on Asthma of the Journal of School Health, November, 2004.

National Institutes of Health, Small Business: Social Sciences, Nursing, Epidemiology and Methods Study Section, Washington, D.C., July, 2003.

Centers for Disease Control and Prevention, Expert Panel Meeting on School Asthma Program Evaluation, Atlanta, Georgia, March, 2003.

National Institute for Neurologic Diseases and Stroke, Meeting of the Task Force on Public Recognition and Response to Stroke Symptoms, Dallas, Texas, November, 2002.

Special Review Committee, Centers for Disease Control and Prevention, Community Participatory Research, June, 2002.

Grant Review Committee, American Lung Association – National, 1999.

Expert Panel on the Certification of Asthma Educators, American Lung Association, 1999.

Special Review Committee, National Institutes of Health, Overcoming Barriers to Treatment Adherence in Minorities, July, 2001.

Special Review Committee, National Institutes of Health, National Heart, Lung and Blood Institute, October, 2000.

National Heart, Lung and Blood Institute, National Asthma Education and Prevention Program Coordinating Committee, 1992-2000.

Society for Public Health Education, Delegate to the National Asthma Education and Prevention Program Coordinating Committee, 1992-2000..

Special Review Committee, National Institutes of Health, National Institute of Allergy and Infectious Diseases, March 1993.

Texas Higher Education Coordinating Board, Health Professions Advisory Committee, Community Health Education Task Force, 1991-93.

Special Review Committee, National Institutes of Health, National Heart, Lung and Blood Institute, October, 1991.

Journal Editorial Boards

Journal of Pediatric Asthma Allergy and Immunology, Editorial Board, 2002-
