

## Vita

### **Pamela M. Diamond, Ph.D.** **Assistant Professor of Behavioral Sciences and Biostatistics**

#### **Office:**

University of Texas School of Public Health  
Center for Health Promotion and Prevention Research  
UCT # 2614  
7000 Fannin St.  
Houston, TX 77030  
Email: [pamela.m.diamond@uth.tmc.edu](mailto:pamela.m.diamond@uth.tmc.edu)  
Home page: <http://www.sph.uth.tmc.edu/course/behsci/pdiamond/>

#### **EDUCATION:**

**University of Texas at Austin** (1992) Ph.D. in Educational Psychology specializing in Quantitative Methods. Dissertation: *An Empirical Investigation of the Celeration Line Procedure for Analyzing Single Subject Interrupted Time Series Data in an Evaluation Context*. (Dissertation Committee: Mark Shermis (Chair), William L. Hays, Earl Jennings, Gary Borich, and Ira Iscoe). Graduate GPA: 4.00.

**Texas Woman's University**. M.A. in Psychology (Research Methodology) May, 1986 Thesis: *MMPI Profiles as Predictors of Outcome in an Intensive Rehabilitation Program for Chronic Back Pain*. GPA: 4.00.

**University of Texas at Dallas** (1981 - 1982) 9 hours of courses as special student.

**Muskingum Comprehensive Mental Health Center** (1967 - 1968) certification in Art Psychotherapy.

**Carnegie Mellon University** (1963 - 1967) B.A. in Psychology.

#### **GRANTS, FELLOWSHIPS, CONTRACTS, AND HONORS:**

"Evaluation of the Houston Police Department's Crisis Intervention Training Program". **Pamela Diamond**, P.I. (\$73,180 for 18 months: Hogg Foundation for Mental Health).

"Traumatic Brain Injury in Federal Prison Inmates" 1U49 CE000365-01 **Pamela Diamond, PI**. (9/1/2004 through 8/31/2006 - \$357,226 total costs – CDC).

SIP19-04 (CDC): "Assessing the Reliability and Validity of Core Questions to Measure Colorectal Cancer Screening Behaviors" Sally Vernon, PI. **Pamela Diamond** Co- Investigator

SIP18-04 (CDC): "Trial of Interventions to Increase Utilization of Colorectal Cancer Screening and Promote Informed Decision Making about Colorectal Screening" Maria Fernandez, PI, **Pamela Diamond** Co-Investigator

SIP7-04 (CDC): Investigation Of The Role Of School-Based Physical Activity On Indicators Of Academic Performance Among Elementary School Children", CDC Prevention Research Center Program. (\$249,694 per year for 3 years beginning 9/30/04 (total \$749,036) Nancy Murray, PI; **Co-Investigators:** Steve Kelder, Ph.D., Deanna Hoelscher, Ph.D., and **Pamela Diamond, Ph.D.**

“An HB Vaccine Model for HIV Vaccine Trials in Drug Users” PI - Lu-Hu Hwang (9/1/03 through 8/31/08 - \$3,159,222 total costs – NIDA) **Pamela Diamond**, Co-investigator.

U48/CCU609653 (/Fernandez/Tortolero) 10/01/02 - 9/29/04 Centers for Disease Control & Prevention - **Prevention Research Center – Project 02-02: Texas LINCC – Latinos in a Network for Cancer Control Co-investigator** - 5% Nov. 1, 2003 – April 30, 2004 and 10% May 1, 2004 – Sept. 29 2004.

“Assessment of the Prevalence of Methicillin-Resistant Staphylococcus Aureus (MRSA) in High School Athletic Departments in Texas”. I am PI on this contract funded by the Texas Department of Health. The project began in the Summer of 2003 and will continue for approximately 9 months. Funding of ~\$11,000 was provided for 5% of my time and 50% time for a graduate research assistant as well as supplies, etc.

“Evaluation of the NorthStar Behavioral Health Initiative.” Consultant and adjunct faculty for this pilot project which is being conducted as a year long policy research project (class) at the LBJ School of Public Affairs at the University of Texas at Austin under the guidance of Dr. Pat Wong. The evaluation is funded by the Texas Department of Mental Health and Mental Retardation and is mandated by the Center for Medicaid Services.

Wadsworth Publishing – Contract to write Instructor’s Manual, Study Guide and SPSS Guide to accompany David Weisburd’s Statistics in Criminal Justice. Published in early 2003.

“Mental Health Prevalence Study (MHPS)” Phil Magaletta (PI) **Pamela Diamond** (Co-PI). Internally (Bureau of Prisons) funded 5 year epidemiological study of mental health needs among federal inmates.

“The Youth Self Report Inventory (YSR): A study of measurement fidelity and cross-ethnic generalizability in a large sample of low-income middle school children” Faculty Research Council grant from Sam Houston State University in the amount of \$5,000 awarded December 2001.

“Factors Influencing Relapse in Female Offenders with Mental Health Needs.” Pilot project funded by the Hogg Foundation for Mental Health, August 2001 in the amount of \$5627. Principal Investigator, des Anges Cruser (TTUHSC); Pamela Diamond, Statistical and Methodological Consultant.

“Process and Implementation Evaluation of the New Orleans Police Foundation (NOPF) Programs Designed to Assist the New Orleans Police Department in Reducing Crime in that City”. Contract awarded by Baptist Community Ministries, the primary funder of NOPF, to P. Diamond to perform this evaluation during summer, 2000.

Wadsworth Publishing. Contract to write the end of chapter Internet exercises and the “wired appendices” for Maxfield & Babbie’s *Research Method for Criminal Justice and Criminology*, 3<sup>rd</sup> Edition. Published in 2000.

“An Estimate of Mental Health Needs of Prison Inmates Using The Epidemiological Catchment Area Institutional Sample”. Pamela Diamond, Principle Investigator. Faculty Research Council grant from Sam Houston State University in the amount of \$5000 awarded December 1999.

“Responding to Mental Health Crises on Houston’s Streets” (I co-authored this proposal with Dr. des Anges Cruser) Grant funds in the amount of \$148,490 awarded to the Mental Health Association (MHA) of Houston and Harris County by the Center for Mental Health Services (CMHS) division of SAMHSA. The project is to initiate a consensus process among community leaders in order to implement an exemplary practice in Harris County based upon the Los Angeles police model of the Mobile Response Team and to evaluate the process of reaching consensus and implementation. MHA received notice in October, 1997 that the project was to

be funded. Funds have subsequently been used to initiate the "Crisis Intervention Team" in Houston.

"Evaluation of the Texas Department of Mental Health and Mental Retardation Managed Care Initiative" (in collaboration with David Warner, Ph.D. and Pat Wong, PhD. of the LBJ School of Public Affairs at the University of Texas at Austin) funded jointly by the Hogg Foundation for Mental Health and the Texas Department of Mental Health and Mental Retardation, 1995 thru 1998.

"Public policy and offenders with mental impairments in Harris County, Texas" (in collaboration with des Anges Crusier, Ph.D.) funded by The Evaluation Center @ HSRI, 1995-1996.

"A preliminary investigation of the impact of inpatient psychiatric care on criminal justice involvement" (in collaboration with Steven B. Schnee, Superintendent of the San Antonio State Hospital) - funded by the Hogg Foundation for Mental Health, grant # 2686, 1991-1992.

"Tracking the costs of chronicity: The multiple system user in Bexar County" (in collaboration with Steven B. Schnee, Superintendent of the San Antonio State Hospital) - funded by the Hogg Foundation for Mental Health, grant # 2395, 1989-1990.

"The evaluation of previously-funded service projects" - funded by the Hogg Foundation for Mental Health, grant # 2308I, 1987-1989.

#### **Advisory Boards and Committees:**

Member of the Texas Jail Diversion/Incarcerated Veterans Committee.

Member of the advisory board for "Health Baby Teeth" - a project funded by Colgate-Palmolive and the Texas Dietetic Foundation. PI. Sue Cunningham.

Served on the editorial board of the *American Journal of Art Therapy* from 1990 to 1994

#### **Reviewer**

Reviewer for *Health Services Research*.

Reviewer for the Center for Disease Control's National Center for Injury Prevention and Control, April 2004, April 2005.

Served as a reviewer for Center for Mental Health Services (CMHS) division of Substance Abuse and Mental Health Services Administration (SAMHSA) in July, 1999.

Served as a reviewer for the Center for Substance Abuse Prevention (CSAP) of the Substance Abuse and Mental Health Services Administration (SAMHSA) in June of 1993.

#### **Honors**

Ursuline College: Women of Creative Vision Award - June, 1987.

Hogg Foundation for Mental Health: Evaluation Research Fellowship 1987-88.

University of Texas: University Fellowship - 1986-87.

#### **EXPERIENCE:**

**University of Texas Health Sciences Center at Houston - School of Public Health** (August 2002 -present). Assistant Professor. I am a member of the faculty in the Behavioral Sciences Discipline with a secondary appointment in Biostatistics. I am also a member of the Center for Health Promotion and Prevention Research and I teach quantitative methods, data management, and psychometrics. My research agenda continues to focus on the interface between criminal

justice and mental health policy, psychiatric epidemiology, and community reintegration for female offenders.

**Sam Houston State University, College of Criminal Justice** (1999 - 2002). Assistant Professor. I teach research methods, advanced data management, structural equation modeling, program evaluation, understanding human behavior and statistics to both undergraduate and graduate level students and pursue an active research agenda in the area of criminal justice and mental health policy.

**Texas Tech University Health Sciences Center**, (June, 1995 to 1999) Director of Program Evaluation and Outcome Studies, Correctional Mental Health Services; Assistant Professor of Neuropsychiatry and Behavioral Science, School of Medicine, Adjunct Professor, Department of Psychology, Texas Tech University.

**University of Texas at Austin** (August, 1996 thru May, 1997) Adjunct Faculty at the Lyndon Baynes Johnson School of Public Affairs

**Hogg Foundation for Mental Health** (1987 - 88 – Evaluation Research Fellow; 1988 - 1992 – Social Science Research Associate III; appointed in September, 1992 to June, 1995 – Senior Research Associate [SSRA V])

**Statistical Consultant** (1985-current) I have provide statistical and methodological consultation services to several different agencies: *The School of Family Medicine, University of Southern California; The Lyndon Baynes Johnson School of Public Affairs at the University of Texas at Austin, The Facility Review Task Force formed by the Office of the Governor of Texas and Texas Department of Mental Health and Mental Retardation, The Clinical Research Unit of the San Antonio State Hospital and The Department of Psychiatry at the University of Texas Health Science Center in San Antonio, The Community Services Division of the San Antonio State Hospital, The Forensic Mental Health Division of the Mental Health and Mental Retardation Authority of Harris County, The Forensic Services Unit of the Center for Health Care Services in San Antonio, and the Austin State Hospital*

**Office of the Governor – Texas Department of Mental Health and Mental Retardation Facility Review Task Force** (June 1992 through September, 1992) Special Consultant. I was asked to analyze the utilization patterns in the State's eight State Hospital facilities for a five year period to assist in state level planning

**Vermont College** of Norwich University - Graduate Program in Art Therapy (1991 - 1992) Adjunct Faculty

**University of Texas**, Austin, Texas (Summer, 1989) Research Associate for David Warner, Ph.D. L.B.J. School of Public Affairs.

**University of Texas**, Austin, Texas (Spring, 1987) Teaching Assistant for Mark Shermis, Ph.D. Department of Educational Psychology.

**Texas Woman's University**, Denton, Texas (1985-1986) Adjunct Lecturer. Department of Business and Economics. I taught the senior level course in Quantitative Methods in Management.

**Texas Woman's University** Denton, Texas (Summer, 1985) Adjunct Lecturer. Art Department. I taught a graduate course in Art Therapy.

**Indiana Center for the Arts in Therapy**, Grandview, Indiana (1980 - 1981) Director. The Indiana Center was a non-profit organization which provided educational, clinical, and consultant services in the creative therapies.

**St. Meinrad School of Theology**, St. Meinrad, Indiana (Summer, 1979) Instructor for a course in the creative therapies.

**Southern Hills Mental Health Center**, Tell City, Indiana (1979 - 1980) Partial Hospitalization Supervisor.

**Ursuline College**, Pepper Pike, Ohio (1977 - 1979) Educational Consultant for Art Therapy program.

**Art Psychotherapy Institute of Cleveland**, Cleveland Heights, Ohio (1973 - 1978) Founder, Director, Clinical Supervisor, Instructor.

**Goddard College**, Plainfield, Vt. (1976 - 1978) Field Faculty Supervisor for Art Therapy program.

**Fairhill Mental Health Center**, Cleveland, Ohio (1972 - 1973) Director of Art Psychotherapy.

**Case Western Reserve University**, Cleveland, Ohio (Intersession, 1973) Instructor - Graduate School of Applied Social Sciences.

**Good Samaritan Medical Center**, Zanesville, Ohio (1969 - 1971) Director of Art Psychotherapy.

**Muskingum Comprehensive Mental Health Center**, Zanesville, Ohio - (1970 - 1971) Art Psychotherapist/ part time.

**Muskingum County Welfare Department**. Zanesville, Ohio (1967 - 1969) Social Worker I.

## **PUBLICATIONS:**

### Peer Reviewed Journal Articles:

#### **Submitted for Review:**

Baillargeon, J., Paar, D., Wu, H., Giordano, T. P., Murray, O., Raimer, B. G., Avery, E., **Diamond, P. M.**, Pulvino, J. (submitted) Psychiatric Disorders, HIV Infection and HIV/Hepatitis Coinfection in rhw Correctional Setting. Submitted to *Aids Care*.

Presented at the 13<sup>th</sup> annual conference of the Community Justice Assistance Division of the Texas Department of Criminal Justice and the Correctional Management Institute of Texas' Probation Academy of Sam Houston State University, May 12, 1999 in Austin, TX.
- Diamond, P.M.** & Wang, E.W. (1997) The Buss-Perry Aggression Questionnaire: Its use with mentally ill prisoners. Presented at the 105<sup>th</sup> annual conference of the American Psychological Association in Chicago, IL, August 15<sup>th</sup>, 1997.

**Diamond, P. M.**, Cruser, dA., Wang, E.W. "Data drives the train: Using multiple information sources for program planning and re-direction" Presented at the Seventh Annual National Conference on state Mental Health Agency Services Research and Program Evaluation, February 2-4, 1997 and Arlington, Virginia.

**Diamond, P.M.**, Heinrich, P., Howe, A. H., & Wang, E. W. "Mission not impossible; Program evaluation and program design working together on the same agenda" Presented at the 1<sup>st</sup> Annual Multi-Need Offenders Conference in Austin, Texas on August 15<sup>th</sup>, 1996.

**Diamond, P.M.**, Giles, C.L. & Wang, E. W. "Empirically derived MCMI-III profiles of psychiatric prisoners facilitate program development". Presented at the 104<sup>th</sup> annual conference of the American Psychological Association in Toronto, Canada, August 9<sup>th</sup> 1996.

Stone, S., Van Norman, J, **Diamond, P.M.**, & Biggs, M. (panel) "Uniform assessment: Managed care and more" presented at the 1996 Annual Community MHMR Centers Staff training Conference, July 24, 1996 in Galveston, TX.

**Diamond, P.M.**, Giles, C. & Howe, A. H. "New situations call for new solutions: Assessing psychiatric and behavioral problems in a prison setting". Presented at the 1996 annual conference of American Criminal Justice Sciences in Las Vegas, Nevada in April 1996.

Cruser, dA & **Diamond, P.M.** "Prison-based treatment program design and management". Presented at the 1996 Multidisciplinary Training Conference of the American Correctional Health Services Association in Houston, Texas, February 24, 1996.

**Diamond, P.M.** & Taylor, E.R. "Preparing offenders with mental impairments for community living". Presented at the 1995 annual meeting of the Texas Alliance for the Mentally Ill in Corpus Christi, Texas, September 8, 1995.

Cruser, dA, **Diamond, P.M.** & Richardson, L. "A profile of parole and probationers in a specialized treatment program: Clinical and criminogenic characteristics" Presented at the 1995 Annual Meeting of the American Criminal Justice Society in Boston during April, 1995.

**Diamond, P.M.** & Cruser, dA. "Jail based mental health services: For whom and in what form" Presented at the 1994 Institute on Hospital and Community Psychiatry in San Diego, Ca. on October 1, 1994.

**Diamond, P.M.** "County jail – the invisible port-of-entry into the mental health system" Presented as part of a symposium chaired by Ira Iscoe: "Forging new partnerships – Mental health and the criminal justice system". The symposium was a part of the 102nd annual convention of the American Psychological Association in Los Angeles, Ca. August, 15 1994.

**Diamond, P. M.** and Sondgeroth, M.S. "School of the future at baseline: A confirmation of need". Poster presented at the 102nd annual convention of the American Psychological Association in Los Angeles, Ca. August, 13 1994.

**Diamond, P.M.** "Serving children and families in the school of the future" Served as chair and presenter at this symposium presented at the 71st annual meeting of the American Orthopsychiatric Association in Washington, D.C. on April 29, 1994.

Cruser, d A. & **Diamond, P.M.** "Profiles of mentally impaired inmates in Harris County, Texas. Presented at the 46th Annual meeting of the American Academy of Forensic Sciences, San Antonio, Texas on February 18, 1994.

**Diamond, P. M.** "The Hogg Foundation's School of the Future". This paper was presented as part of a symposium entitled "Community-School Connections: Coordinating and Integrating Services for Children" (chaired by W.L. Boyd) at the annual meeting of the American Educational Research Association in Atlanta, GA. on April 16, 1993.

**Diamond, P. M.** "The Evaluation of the Hogg Foundation's School of the Future Program". Presented at Grand Rounds for the Department of Psychiatry of the University of Texas Health Science Center at San Antonio on February 16, 1993.

**Diamond, P.M.** "Advances in evaluation technology: Examples and applications for mental health". This paper was presented as a part of a symposium entitled "The challenge of community care: Creativity, collaboration, and commitment" (chaired by Ira Iscoe) at the 100th Annual Convention of the American Psychological Association in Washington, D.C. on August 15, 1992.

**Diamond, P.M.** & Schnee, S. B. "Alternative sentencing to psychiatric in-patient care for the seriously chemically involved -- A preliminary impact assessment." Presented at the 43rd Institute of Hospital and Community Psychiatry, Los Angeles, California, October 22, 1991.

**Diamond, P. M.** "Research and evaluation in the post-deinstitutionalization era." Presented as part of a symposium entitled "Deinstitutionalization revisited: Implications for community research and action" chaired by Ira Iscoe at the Third Biennial Conference on Community Research and Action in Tempe, Arizona on June 7, 1991.

**Diamond, P. M.** "The single subject interrupted time-series design in program evaluation." Presented at the 37th annual convention of the Southwestern Psychological Association in New Orleans, Louisiana on April 13, 1991.

**Diamond, P. M.** "Mental health care and jail use: A preliminary impact assessment." Presented at the 37th annual convention of the Southwestern Psychological Association to be held in New Orleans, Louisiana on April 12, 1991.

Schnee, S. B. & **Diamond, P.M.** "Issues in community care: Deinstitutionalization revisited." Hogg Foundation 50th Anniversary Conference: Commission on Community Care of the Mentally Ill Workshop, Austin, Texas, November 30, 1990.

**Diamond, P. M.** & Schnee, S. B. "Tracking the costs of chronicity: Towards a redirection of resources." The Ninety-Eighth Annual Convention of the American Psychological Association, Boston, Massachusetts, August 11, 1990.

Schnee, S. B. & **Diamond, P.M.** "An update on the final report of the Hogg Foundation's Commission on Community Care of the Mentally Ill." a report to The El Paso City County Task Force on Mental Health Services Delivery, August 8, 1990, El Paso, Texas.

**Diamond, P. M.** & Schnee, S. B. "Patterns of multiple system use among 'revolving door' clients" Thirty-Sixth Annual Convention of the Southwestern Psychological Association Conference, Dallas, Texas, April 13, 1990.

**Diamond, P. M.** "Characteristics of the clients in the Texas mental health system" Presented as part of a panel entitled "Research on public sector care for the mentally ill in Texas" chaired by David Warner. National Institute of Mental Health Workshop on Regional Minority Mental Health Services Research, Austin, Texas, June 15, 1989.

**Diamond, P.M.** "Patterns of public system use over the past five years in Texas: Continuity of care and the high user of services." Presented as part of a panel entitled "Financing the care of the chronically mentally ill in Texas" chaired by David Warner. Texas Alliance for the Mentally Ill Annual Convention, Austin, Texas, May 5, 1989.

**Diamond, P.M.** "Patterns of public system use over the past five years in Texas: Recidivism among the seriously mentally ill." Presented as part of a panel chaired by David Warner at a quarterly meeting of the Hogg Foundation's Commission on Community Care of the Chronically Mentally Ill, Austin, Texas, April 25, 1989.

Shermis, M. and **Diamond, P.M.** "Using microcomputers to develop and administer tests." Texas Testing Conference - Austin, Texas, March, 1989.

**Diamond, P. M.,** Inniss, L. B. and Noble, D. N. "The search for continuity: A retrospective study of mental health service projects." Southwestern Social Science Association, Little Rock Arkansas, March 30, 1989.

Shermis, M. and **Diamond, P.M.** "Test item banking on microcomputers." Texas Testing Conference, Austin, Texas, March, 1988.

**Diamond, P. M.** "Using LISREL for path analysis." U.T. School of Nursing, February, 1988.

**Diamond, P. M.** "Believing that it works is not good enough anymore: The need for evaluation research in art therapy." Annual Symposium of the Buckeye Art Therapy Association, Columbus, Ohio, September 16, 1988.

**Diamond, P. M.** "Measuring the metaphor: An introduction to research methods for creative therapists" Ursuline College conference on Creative Counseling Modalities, Pepper Pike, Ohio, June, 1987.

**Diamond, P. M.** "Quantification in art therapy research" Fourth Annual Texas Art Therapy Association Symposium, Arlington, Texas, 1985.

**Diamond, P. M.** "The uses of art in the diagnosis and treatment of serious emotional disorders" Texas Art Therapy Association - quarterly meeting, Arlington, Texas, February, 1984.

## **STUDENT COMMITTEES:**

### ***DISSERTATION:***

Agurcia-Parker, Carolyn (Dr.PH, in process). [member]

Banarjee, Deborah (Ph.D., in progress) [member]

Barr, Beth A. (Dr.PH, in process). [member]

Calabro, Karen (Dr.PH, in process). [member]

Chu-Weininger, Ming Ying Lisa (**Ph.D., Management and Policy Studies: completed: December, 2004**). [member]

Densmore, Diana (**PhD in Behavioral Sciences completed Spring 2006**). [member]

Ford, Kentya (**Dr.PH, Health Promotion & Behavioral Sciences: Completed May, 2005**).  
[member]

Garza, Julie C, (Dr.PH. In progress) [member]

Harzke, Amy Jo (Dr.PH, in process). [member]

Sharma, Shreela (**Ph D, Epidemiology an Disease Control: completed, December, 2005**)  
[member]

Sincope, Pamela (Dr.PH, in process). [member]

Sterling, Kymberly (**Dr.PH, Health Promotion & Behavioral Sciences: completed May, 2005**). [Chair]

Tiro, Jasmin A. (**Ph.D. Health Promotion & Behavioral Sciences: completed May, 2005**).  
[member]

Tripp, Mary K. (Ph.D. in process). [member]

Van Slyke, Karen (Ph.D., in progress)

**MPH COMMITTEES (Chair):**

Gallaway, Michael Shane (**MPH May, 2005**)

Gandhi, Kajal K. (**MPH August, 2005**)

Garcia, Bobbiejean

Martin, Ryan G.

Mehta, Abhishek

Mowrey, Melanie

Patterson, Simie Lavern

Shah, Nimit

Varghese, Zacharia

**MPH COMMITTEES (Member):**

Barr, Beth (**MPH, 2003**)

Camp, Elizabeth

Chandra, Shalabh

Choe, Jonathan (**MPH, 2005**)

Greene, Victoria R.

Holz, Louis

Jadhav, Monika P.

Scruggs, Stacie L.

**Completed Theses and Dissertations:**

Barr, Beth (Thesis: completed 2003). An Assessment of the Education, Mobility, and Health Status of Children Orphaned by AIDS in the Salima District of Malawi, Africa. [member].

Beard, Jonathon (MA, SHSU, 2003). The Commodification of the economy in education: Implications for delinquency. [Chair].

Choe, Jonathon (MPH, May, 2005) The Association between the Number of Isolates of Enterotoxigenic *e. coli* infection and Clinical Manifestations in U. S. Travelers in Mexico. [member]

Chu- Weinger (Ph.D. May, 2005) Consumer Satisfaction with Primary Care Provider Choice and Associated Trust. [member]

Densmore, Dianna Ph.D, May 2006). A Longitudinal Assessment of Depressed Mood and Disability in a Community-Base Sample of Older Adults.

Ford, Kentya. (Dr.Ph May, 2005) Adolescent Tobacco Use: Studies of Prevalence, Factorial Validity and Factorial Invariance between African Americans and Whites [member]

Gallaway, Michael S. (MPH, August, 2005) Psychosocial and Demographic predictors of Fruit, Juice, and Vegetable (FJV) Consumption among 11-14 year old Boy Scouts. [Chair]

Gandhi, Kajal (MPH August, 2005) Analysis of Dietary and Physical Activity Behaviors among Asian School Children in Texas from Project SPAN (School Physical Activity and Nutrition). [Chair]

Nakayama, S. (MA, SHSU, 2000). Recidivism analysis of victim impact panels by the Texas youth commission. Sam Houston State University. [member].

Niemiec, C. H. (MA, SHSU, 2001). Supervision orientations of juvenile parole officers in Texas. Sam Houston State University. [member].

Sharma, Shreela (PhD.. December, 2005). Psychosocial and environmental predictors of calcium intake, physical activity and bone health among adolescent girls. [Member]

Sterling, Kymberle L. (Dr. PH., May, 2005) Examining factorial Validity, Factorial Invariance, and Causal Relationships of Smoking-Related Self-efficacy, Cognitions, and Intention among a Multi-ethnic Sample of Current and Former Youth Smokers. [Chair]

Tiro, Jasmin A. (Ph.D. May, 2005) Evaluation of the Causal Pathways through which Subjective Norms Influence Mammography Intention and Stage of Change in a National Sample of Women Veterans. [member]

Wang, E. W. (Ph. D., Texas A&M University, Commerce, 1998). The use of structural equation modeling techniques to predict violence potential in mentally ill male prisoners. [member].

## **COURSES TAUGHT**

### **GRADUATE**

**Course Number Course Name**

#### **University of Texas at Houston School of Public Health**

PH 1132 (Spring) Latent Variable Models and Factor Analysis

PH 1125 (Spring) Principles and Practices of Data Management  
in Behavioral Sciences Research

PH 1420<sup>1</sup> (Fall) Design and Analysis in the Behavioral Sciences Part I

PH 1421 (Spring) Design and Analysis in the Behavioral Sciences Part II

#### **Sam Houston State University – College of Criminal Justice**

---

<sup>1</sup> PH 1420 and PH1421 are co-taught with Dr. Ben Amick and Dr. Mark Williams. I am lead instructor for these classes.

CJ 592	Survey of Research Methods
CJ 685/615	Statistics for Criminal Justice Research + Lab
CJ 793	Practicum in Data Analysis
CJ 787	Research Design
CJ 770	Special Topics – Structural Equation Models
PSYCH	(Texas Tech) Introduction to Program Evaluation

**UNDERGRADUATE**

**Course Number Course Name**

**Sam Houston State University – College of Criminal Justice**

CJ 478	Introduction to Methods of Research
CJ 436	Understanding Human Behavior

**PROFESSIONAL ORGANIZATIONS:**

American Psychological Association - member since 1993.

Evaluation, Measurement and Statistics - Division 5 of APA.

American Psychology and Law Society – Division 41 of APA

American Public Health Association.
