

CURRICULUM VITAE
October 2006

NAME: Robert J. Emery, Dr.P.H., CHP, CIH, CSP, RBP, CHMM, CPP, ARM

ADDRESSES:

Offices

Environmental Health & Safety
The University of Texas Health Science Center
at Houston
1851 Crosspoint Drive, OCB 1.330
Houston, Texas 77054
Phone (713) 500-8100
Fax (713) 500-8111
Robert.J.Emery@.uth.tmc.edu

Southwest Center for Occupational
and Environmental Health
Center for Biosecurity and Public Health
Preparedness
The University of Texas School of Public Health
P.O. Box 20186
Houston, Texas 77225
Phone (713) 500-9469
Fax (713) 500-9442

EDUCATION:

Undergraduate

Rockingham Community College Wentworth, NC
Associate of Science
in Environmental Science, 1977

University of North Carolina at Wilmington
Wilmington, NC
Bachelor of Arts in
Environmental Sciences, 1979

Graduate

University of North Carolina at Chapel Hill
Chapel Hill, NC
Master of Science in Public Health,
Radiological Hygiene Program, 1989

East Carolina University
Greenville, NC

Master of Science in
Environmental Health, 1991

University of Texas School of Public Health
Houston, TX
Doctor of Public Health,
Occupational Health/
Aerospace Medicine Module, 1997

LICENSES:

Board Licensed Medical Health Physicist,
May 1993 - present, Texas Number MP0139

BOARD CERTIFICATIONS:

American Board of Health Physics;
Certified Health Physicist (CHP)
1993, Re-certified 1997, 2001, 2005

American Board of Industrial Hygiene;
Certified Industrial Hygienist (CIH)
1991, Re-certified 1997

Board of Certified Safety Professionals;
Certified Safety Professional (CSP)
1992, Re-certified 1998

**OTHER CERTIFICATIONS &
REGISTRATIONS:**

National Registry of Radiation Protection
Technologists, Radiation Protection
Technologists (RPT) February 1987

National Environmental Health Association
Registered Hazardous Substances Professional
(RHSP) October 1991

American Biological Safety Association,
Registered Biosafety Professional (RBP)
June 1994

American Institute for Chartered Property Casualty
Underwriters/Insurance Institute of America,
Associate in Risk Management (ARM), March 2002

Institute of Hazardous Materials Management,
Certified Hazardous Materials Manager (CHMM),
August 2002

American Society for Industrial Security, Certified
Protection Professional (CPP), February 2004

OTHER PROFESSIONAL TRAINING/CERTIFICATIONS:

Core Disaster Life Support, Las Colinas, TX March 27, 2004
Basic Disaster Life Support, San Antonio, TX June 4, 2004
Advance Disaster Life Support, Houston, TX April 23-24, 2005

CURRENT ACADEMIC APPOINTMENTS:

Associate Professor of Occupational Health, University of Texas Health
Science Center at Houston School of Public Health (initially appointed as
Assistant Professor, 1997, promoted to Associated Professor 2001).

Adjunct Faculty, University of Houston-Clear Lake, Department of Natural
Sciences, 1997 - present.

Adjunct Faculty, Texas A&M University, Department of Nuclear
Engineering, Health Physics Program, 1997 - present.

Adjunct Faculty, East Carolina University, Department of Environmental
Health Sciences, Safety, and Technology, 1991 - present.

CURRENT ADMINISTRATIVE APPOINTMENTS

Assistant Vice President for Safety, Health, Environment & Risk
Management, University of Texas Health Science Center at Houston, 2004
- present

PREVIOUS ADMINISTRATIVE APPOINTMENTS

Assistant Vice President for Research Administration, University of Texas
Health Science Center at Houston, 2000 - 2003.

Executive Director, Environmental Health & Safety, University of Texas
Health Science Center at Houston, 1995 – 2000.

Director, Radiation Safety Division and Radiation Safety Officer,
University of Texas Health Science Center at Houston, 1993 - 1995

Interim Executive Director, University of Texas Health Science Center at
Houston Positron Diagnostic & Research Center, April 1998-October 1998.

Radiation & Biological Safety Officer, East Carolina University School of Medicine Office of Radiation & Biological Safety, Greenville, NC June 1986 - January 1993.

Radiation Survey Technician, North Carolina State University, Radiation Protection Office, Raleigh, NC, January 1983-May 1986.

Radiation Control and Testing Technician, Carolina Power & Light Brunswick Nuclear Power Plant, Brunswick, NC, May 1981-December 1982.

Research Technician, University of North Carolina Institute for Marine Sciences, August 1979-March 1981.

OTHER RELEVANT EXPERIENCE

Invited Consultant, Trinidad and Tobago Ministry of Health Medical Waste Management Strategies, August 21-23, 2006, Port of Spain, Trinidad

Invited Site Evaluator, National Medical Disaster System Radiological Dispersal Device Hospital Preparedness Drill, October 15 & 16, 2003, San Antonio, TX

Invited Testimony, Texas State Senate Committee on Business & Commerce: Mold Monitoring and Current Research Activities. Texas State Capitol, September 4, 2002 Austin, TX.

Invited Testimony, Texas State House of Representative Committee on Environmental Regulation: Lost Sources of Radioactivity in Texas 1958-2000. Texas State Capitol, April 29, 2002 Austin, TX.

Invited Testimony, Texas State House of Representative Committee on Environmental Regulation: The Preventive Benefits of Summarized Regulatory Program Outcome Data. Texas State Capitol, April 19, 1999 Austin, TX.

Invited Congressional Testimony, U.S. House of Representative Committee on Commerce, Subcommittee on Oversight and Investigation: The University of Texas Position on the Texas Environmental Audit Law. Rayburn House Office Building, Washington, DC. March 17, 1998.

Invited Consultant, Governor's Task Force on Assessing Safety and Environmental Risks, Plutonium Conversion and MOX Fuel Fabrication, Amarillo National Resource Center for Plutonium, 1997.

Invited Consultant, International Atomic Energy Agency, Vienna, Austria to develop "Guidelines for Organizations Establishing and Conducting Demonstrations of Waste Management Methods and Procedures", December 8-12, 1997.

INSTITUTIONAL COMMITTEE MEMBERSHIP AND SERVICE

University of Texas Health Science Center at Houston

Radiation Safety Committee 1992-present
 Radioactive Drug Research Committee 1992-present
 Infectious Diseases Review Panel 1993-present
 Institutional Biosafety Committee 1995-present
 Chemical Safety Committee 1995-present
 Physical Safety Committee 1995-present
 Institutional Compliance Committee 1996-present
 Biohazard Committee 1992-1995
 University Appeal Tribunal October 1995
 Health Care Team Competition 2000
 Sexual Harassment Committee 2000 – present
 Safety Council (Chair) 2003
 Administrative Council (Chair) 2003

Other Institutional Service

University of Texas-Houston Safety Continuous Quality Improvement Team, 1996-1997
 University of Texas-Houston Management Forum Steering Team, 1998-present
 State Employee Charitable Campaign co-coordinator, 1998-2000
 University of Texas-Houston Administrative Cost Reduction Task Force, 1999-present
 University of Texas-Houston School of Public Health Faculty Policy Committee, 1999-2000
 Harris County Hospital District Needlestick Prevention Task Force, 1999-present
 University of Texas System Workers Compensation Resource Re-allocation Team, 1997-present
 University of Texas-Houston Health Care Team Competition Judge 2004

EXTERNAL COMMITTEE MEMBERSHIPS

University of Texas System

University of Texas System Environmental Advisory Committee 1993-present (Chair 1995-1998)

University of Texas System Radiation Safety Officers Advisory Group
1992-present (Chair 1995)

University of Texas System Interim Storage Facility Radiation Safety
Committee 1993-present (Chair 1993-present)

University of Texas System Compliance Committee 1999-present

Texas Medical Center

Texas Medical Center Safety Advisory Council 1992-present (Chair 1996)

Texas Medical Center Radiation Safety Officers Group 1992-present (Chair
1992-present)

University of Houston Clear Lake

ABET Accreditation Advisory Board for Industrial Hygiene and Safety
2001 - present (Chair 2001 - present)

Baylor College of Medicine

Institutional Biosafety Committee, 2003 - present

Health Physics Society

Member, Program Committee 1997-1999

Member, RSO Section Committee 1996-1997

Member, Executive Council, South Texas Chapter 1995- 1997

President-elect, South Texas Chapter, 2001

East Carolina University

Radiation Safety Committee 1986-1992

Biological Safety Committee 1988-1992

Infection Control Committee 1988-1992

Joint Hospital/University Hazardous Waste Task Force 1990-1992

PROFESSIONAL SOCIETY MEMBERSHIPS

Health Physics Society

National Environmental Health Association

American Public Health Association

American Industrial Hygiene Association

American Biological Safety Association

American Society of Safety Engineers

American Society for Industrial Security

JOURNAL REVIEW AND EXAMINATION PANELS

Panel of Examiners, National Registry of Radiation Protection Technologists, 1991
 Reviewer, Health Physics Journal, 1999-present
 Reviewer, Journal of Environmental Health, 1997-present
 Reviewer, American Journal of Infection Control, 2004

INVITED SAFETY PROGRAM PEER REVIEWS

University of Texas at Tyler, February 1999
 University of Texas Medical Branch at Galveston, October 2001
 University of Texas System, October 2001
 Indiana University/Purdue University at Indianapolis, December 2002
 University of Texas – Pan American, August 2001
 Boise State University, November 2001
 Indiana University, June 2003
 Wake Forest University, October 2003
 University of Wisconsin Madison, January 2004
 University of Texas Southwestern Medical Center at Dallas, January 2004
 Cornell University, March 2004
 Texas State University, April 2004
 University of Texas at Austin Nuclear Engineering Teaching Lab Safety Analysis for Diving Operations to Replace Reactor Reflector, May 5, 2004
 University of Illinois at Urbana Champaign, March 2005
 Boston University, June 2005

CURRENT ACADEMIC INSTRUCTION

University of Texas School of Public Health

PH 2160 Environmental Radioactivity & Radiation (lead instructor)
 PH 3998/6998 Health & Safety Program Management (co-instructor)
 PH 3998/6998 Workplace Safety Seminar (co-instructor)
 PH 2155 Environmental Sampling and Analysis (guest lecturer)
 PH 2110 Overview of Environmental Health (guest lecturer)
 PH 6998 Special Topics in Occupational Medicine Seminar (guest lecturer)
 PH 6998 Applied Safety (guest lecturer)

University of Houston-Clear Lake

INDH 3133 Industrial Laboratory Safety (lead instructor)

East Carolina University

EHLT 6120 Biological Safety (lead instructor, web based class, Fall 2003)

PREVIOUS ACADEMIC INSTRUCTION

Texas Southern University

HSEH 234 Introduction to Health Physics (guest lecturer, 1995)

Texas A&M University

SENG 680 Industrial Hygiene (guest lecturer, 1995)

NUEN 479 Health Physics (guest lecturer, 1996)

NUEN 681 Nuclear Engineering Seminar (guest lecturer, 1996)

NUEN 612 Radiological Hazards Evaluation (lead instructor, 1997)

Sam Houston State University

Environmental Sciences Seminar (guest lecturer, 1999)

East Carolina University

ITEC 3292 Industrial Safety, (lead instructor)

EHLT 5001 Seminar in Environmental Health (guest lecturer)

EHLT 6980 Environmental Health Practicum (preceptor)

EHLT 6600 Air Quality Control Methods and Devices (guest lecturer)

EHLT 2500 Introduction to Radiological Health (co-instructor)

EHLT 3600 Air Pollution Control (guest lecturer)

EHLT 3700 Industrial Hygiene (guest lecturer)

EHLT 3800 Solid and Hazardous Waste (guest lecturer)

EHLT 4990 Environmental Health Internship (preceptor)

MCBI 6490 Topics in Microbiology and Immunology (guest lecturer)

OTHER STUDENT SERVICE AND SUPPORT

University of Texas School of Public Health graduate student internships and practica, 1994-present (n =24)

Texas Southern University undergraduate environmental health program internships, 1994-present (n = 16)

Texas A&M University health physics program summer internships, 1994-present (n = 12)

CONTINUING EDUCATION INSTRUCTION AND OTHER TRAINING

Southwest Center for Occupational and Environmental Health

Radiation Safety Officer Course (40 Hour), Course Director and Lecturer

Radiation Safety Officer Update (8 Hour), Course Director and Lecturer

Radiation Safety Officer Course for X-ray Producing Devices (16 hour),

Course Co-director and Lecturer

OSHA Emergency Response Refresher for Labs and Clinics, Course
 Co-Director and Lecturer
 Comprehensive Environmental Health & Safety for Educational
 Institutions, Course Director and Lecturer
 Safely Accommodating the Expanding Clinical Use of PET
 Radiopharmaceuticals, Course Director and Lecturer
 Back to Basics Health Physics Review Series, co-sponsored with
 South Texas Chapter-Health Physics Society
 Industrial Hygiene Review Course, Lecturer
 Responding to the Current Mail Bioterrorism Threat: Protocols for
 Screening Packages Suspected of Containing Anthrax, Course
 Director and Lecturer
 Comprehending the Threat of Domestic Nuclear Terrorism, Course Director
 Certified Hazardous Materials Manager Review Course, Course Director

Texas A&M University

Principles of Health Physics Academy for Texas Department of Health
 Bureau of Radiation Control, June 18, 2001

Other

Voice of America Radiation Safety Training Series, 1992
 NASA Training Institute Johnson Space Center March 1, 1995

FUNDED GRANTS:

Southwest Center for Occupational and Environmental Health Hazardous Substances Training Grant: Comprehensive Environmental Health & Safety for Educational Institutions, 1 yr (1999) \$55,000 (5% salary support), Program Director. Funding Agency: Centers for Disease Control and Prevention/National Institute for Occupational Safety and Health

Southwest Center for Occupational and Environmental Health Pilot Grant Program: Development of a model coding system to enhance the use of

violation outcome data as tools for education and prevention, \$9,987 (Principal Investigator) (salary support not permitted). Funding Agency: Centers for Disease Control and Prevention/National Institute for Occupational Safety and Health, 1999.

Southwest Center for Occupational and Environmental Health Hazardous Substances Training Grant: Comprehensive Environmental Health & Safety for Educational Institutions, Program Director. First year (2000) \$37,630 (5% salary support), Second and third year recommended total \$102,418. Funding Agency: Centers for Disease Control and Prevention/National Institute for Occupational Safety and Health

CURRENT AREAS OF RESEARCH INTEREST:

1. Applied health physics
2. Occupational health and safety for vulnerable populations
3. Health and safety program outcome measures
4. Comprehensive approaches to health and safety
5. Hazardous waste management

INVITED PRESENTATIONS:

North Carolina Chapter Health Physics Society "Comparison of Health Physics Professions", Wilmington, NC, March 1988.

Health Physics Society "Retention and Subsequent Release of Radioactivity from the Incineration of Waste Containing Microspheres", National Meeting, Albuquerque, NM, July 1989

Incineration Conference, "Retention and Subsequent Release of Radioactivity from the Incineration of Waste Containing Microspheres", National Meeting, San Francisco, CA, July 1990.

American Biological Safety Association "Release of Bacterial Aerosols During Infectious Waste Compaction: An Initial Hazard Evaluation for Health Care Workers" National Meeting, Knoxville, TN October 1992.

South Texas Chapter Health Physics Society "A Comprehensive Approach to Health and Safety Surveys at Biomedical Research Institutions" Regional Meeting, Houston, TX, October 1994.

Health Physics Society "Biological Safety for Health Physicists" Professional Education Presentation at National Meeting, San Francisco, CA July, 1994.

Health Physics Society "Biological Safety for Health Physicists" Continuing Education Course at National Meeting, Charleston, SC January 1995.

South Texas Chapter Health Physics Society "Establishing Goodwill Value for a Radiation Protection Program" Regional Meeting, Galveston, TX, October 1995.

North Carolina Chapter Health Physics Society "A Comprehensive Approach to Health and Safety Surveys at Biomedical Research Institutions and Establishing Goodwill Value for a Radiation Protection Program", Boone, NC, September 1995.

Texas Medical Center Safety Council "A Program for Reducing Institutional Risk When Releasing Potentially Hazardous Assets", Houston, TX, February 1996.

Texas Campus Safety Association "Establishing Goodwill Value for Your Institutional Safety Program" Austin, TX, February 1996.

Health Physics Society "Biological Safety for Health Physicists" Continuing Education Lecture at National Meeting, Seattle, WA. July 1996.

Health Physics Society "Quantifying the Goodwill Value of Your Radiation Protection Program" Professional Education Presentation at National Meeting, Seattle, WA. July 1996.

Health Physics Society "Biological Safety for Health Physicists" Continuing Education Lecture at National Meeting, San Antonio, TX. July 1997.

Health Physics Society "Adding Value to Your Radiation Protection Program" Professional Education Presentation at National Meeting, San Antonio, TX. July 1997.

Texas Campus Safety Association "Comprehensive Occupational Reproductive Health" Lubbock, TX, February 1998.

Indiana Department of Health District 4 “Emergency Response Training Involving a Radiological Dispersal Device” distance learning training drill hosted by Audionet International, Houston, TX, and Ft. Wayne, IN, April 12, 2005 (n = 80)

UT M.D. Anderson Cancer Center Clinical Pastoral Residency Program “Understanding the Basis for Occupational and Environmental Cancer Studies” Houston, TX, April 14, 2005 (n = 12)

East Carolina University Environmental Health Program (EHST 6010 Fundamentals of Environmental Health), “Effectively Communicating Safety and Health Information Through the Mass Media”, webcast to Greenville, NC, April 26, 2005. (n = 14)

Houston Metropolitan Medical Response System Conference, “Comprehending the Threat of Domestic Radiological Terrorism, Part 1” Houston, TX April 28, 2005 (n = 78)

Houston Metropolitan Medical Response System Conference, “Occupational and Environmental Safety in Disasters” Houston, TX April 28, 2005 (n = 65)

Houston Metropolitan Medical Response System Conference, “Comprehending the Threat of Domestic Radiological Terrorism, Part 2” Houston, TX April 28, 2005 (n = 42)

Basic Disaster Life Support Training Class, Houston Metropolitan Medical Response System Conference, Houston TX, April 29, 2005 (n = 47)

U.S. Army Corps of Engineers Waterways Experiment Station, “Working Safely with Pb-210”, webcast to Vicksburg, MS, May 5, 2005 (n = 11)

Bay Area Medical Imaging Society, “Radiation Overexposure Events in Texas 1956 to 2000”, Pasadena, TX, May 7, 2005. (n = 93)

University of California Irvine Department of Emergency Medicine, Disaster Medicine in the 21st Century 2005 Symposium, "Keys to Initiating Clinical Care in Radiological Emergencies", Irvine, CA, May 14, 2005 (n = 125)

American Industrial Hygiene Association Conference and Exposition, “Risk Management and Insurance Primer for Industrial Hygienists”, Anaheim, CA, May 21, 2005 (n = 39)

Texas Department of State Health Services, “Public Health Leadership in Disasters”, Austin, TX May 24-25, 2005 (n = 12)

Texas Chemical Council and Association of Chemical Industry of Texas EHS Seminar, The Art and Science of Effectively Selling Your Safety Program”, Galveston, TX, June 9, 2005 (n = 65)

Baylor College of Medicine 2005 Principles of Health Physics Five Week Course, “Texas Radiation Protection Program Outcomes”, Houston, TX, June 20, 2005 (n = 14)

Baytown Area Citizens Advisory Panel to the Baytown Plant Manager's Network "Effectively Communicating Health and Safety Information Through the Mass Media" Baytown, TX, June 20, 2005 (n = 41)

Basic Disaster Life Support Training, Nuclear and Radiological Threats Memorial Hermann Hospital, The Woodlands, TX, June 28, 2005 (n = 14)

Health Physics Society Professional Development Seminar "Security 101 for Radiation Safety Professionals", Spokane, WA, July 10, 2005 (n = 22)

National Safety Council Campus Safety Health and Environmental Management Association "Effectively Communicating Health and Safety Information Through the Mass Media" Philadelphia, PA, July 18, 2005 (n = 45).

National Safety Council Campus Safety Health and Environmental Management Association "How Many Staff Should My EH&S Program Have?", Philadelphia, PA, July 18, 2005 (n = 82).

San Jacinto Council Girl Scouts Membership Development Council "The Secret Life of Germs", Houston, TX July 29, 2005, (n = 22)

American Society of Safety Engineers Region III 32nd Annual Professional Development Conference "Effectively Communicating Safety Information Through the Mass Media", Galveston, TX, August 8, 2005. (n = 26)

University of Texas M.D. Anderson Cancer Center Radiation Oncology Department GS020133, Introduction to Radiation Protection, "Radiation Protection Program Management", Houston, TX, August 10, 2005. (n = 11).

Southwest Regional Conference for Institutional Biosafety Committee Best Practices, "rDNA Risk Assessments", San Antonio, TX, August 18, 2005 (n = 46)

Texas Department of State Health Services Public Health Leadership Videoconference Series "Leadership in Radiological Terrorism Events", broadcast from Houston, TX to all Texas Public Health Regions, August 23, 2005 (n = 15).

Alvin Community College Emergency Preparedness Teachers Forum "Panic or Preparedness: Responding to the Threat of Terroristic Uses of Weapons of Mass Destruction", Alvin, TX, August 24, 2005, (n = 110)

Lyondell Chemical Company Bayport Plant "What Didn't Happen?", LaPorte, TX September 1, 2005, (n = 87)

Lyondell Chemical Company Bayport Plant “What Didn’t Happen?”, LaPorte, TX September 7, 2005, (n = 74)

Lyondell Chemical Company Bayport Plant “What Didn’t Happen?”, LaPorte, TX September 8, 2005, (n = 69)

Lyondell Chemical Company Bayport Plant “What Didn’t Happen?”, LaPorte, TX September 15, 2005, (n = 57)

University of Texas System Risk Conference, “EH&S Considerations Inherent to Capital Construction Projects”, Galveston, TX, October 11, 2005 (n = 59).

University of Texas System Risk Conference, “50 Things Every Person in EH&S Should Know”, Galveston, TX, October 11, 2005 (n = 86).

University of Texas Medical School Microbiology and Molecular Genetics Seminar Series: Bioterrorism Preparedness and Response, “Safety and Security Requirements for Select Agent Research”, Houston, TX, October 17, 2005 (n = 16)

Western Pennsylvania Allegheny Healthcare System, “Comprehensive Emergency Response Refresher for Healthcare Organizations”, Pittsburgh, PA, October 22, 2005, (n = 80)

American Industrial Hygiene Association Professional Conference for Industrial Hygiene, “A Risk Management and Insurance Primer for Industrial Hygienists”, Denver, CO October 24, 2005 (n = 50).

University of Texas at Brownsville Allied Health student Seminar, “Career Opportunities in the EH&S Professions”, Brownsville, TX, October 27, 2005 (n = 10)

University of Texas at Brownsville Biosafety Conference, “Panic or Preparedness: Responding to the Threat of Terroristic Uses of Weapons of Mass Destruction”, Brownsville, TX, October 28, 2005 (n = 31)

University of Texas at Brownsville Biosafety Conference, “Effectively Communicating Public Health Information Through the Mass Media”, Brownsville, TX, December 3, 2004, (n = 52)

Texas State Association of Occupational Health Nurses 2005 Annual Conference, “Occupational Health Nurse Safety Management Review Course”, Dallas, TX, November 1-2, 2005 (n = 18)

Health Physics Society Professional Enrichment Program, “Risk Management & Insurance Primer for Health Physicists”, Phoenix, AZ January 22, 2006 (n = 21)

Health Physics Society Professional Enrichment Program, “Security 101 for Health Physicists”, Phoenix, AZ January 22, 2006 (n = 32)

Health Physics Society Professional Enrichment Program, “Understanding the Needs of Faculty”, Phoenix, AZ January 22, 2006 (n = 43)

Texas Society for Biomedical Research Crisis Management, Disaster Planning & Communications “Emergency Preparedness & Business Continuity Aspects for Research Enterprises”, Austin, TX January 27, 2006 (n = 79).

Harvard University Environmental Health & Safety Department “On site EH&S Academy” Boston, MA, February 13-14, 2006 (n = 35).

Third Annual Hawaii Bioterrorism Preparedness Conference “Comprehending the Threat of Radiological Terrorism” Honolulu, HI, February 16, 2006 (n = 55)

Third Annual Hawaii Bioterrorism Preparedness Conference “Basic Disaster Life Support Course – Radiological Events” Honolulu, HI, February 16, 2006 (n = 25)

Third Annual Hawaii Bioterrorism Preparedness Conference “Hurricane Preparedness and Response Panel Discussion” Honolulu, HI, February 17, 2006 (n = 75)

City of Houston Health Department “Comprehending the Threat of Radiological Terrorism” Houston, TX, February 22, 2006 (n = 25)

University of Texas M.D. Anderson Cancer Center Ethics, Medicine and Money Conference, “Ethical Issues Related to Occupational and Environmental Cancers” Houston, TX, February 25, 2006 (n = 41)

University of North Carolina at Chapel Hill “On site EH&S Academy” Chapel Hill, NC, February 27, 2006 (n = 45).

Baylor College of Medicine Public Health Interest Group, “Panic or Preparedness: Responding to the Threat of Terroristic Uses of Weapons of Mass Destruction”, Houston, TX, March 6, 2006 (n = 35)

Carnegie Mellon University Environmental Health & Safety Department
“The Compelling Display of Health & Safety Information for Desired
Decision Making”, Pittsburgh, PA, March 10, 2006 (n = 8)

Carnegie Mellon University Environmental Executive Leadership Team
“Pandemic Flu Tabletop Exercise”, Pittsburgh, PA, March 10, 2006 (n =
54)

Cornell University Environmental Health & Safety Department, “The
Compelling Display of Health & Safety Information for Desired Decision
Making”, Ithaca, NY March 22, 2006 (n = 62)

The 4th Conference for Effective Compliance Systems in Higher
Education, “Powerful Lessons Learned from a Successful Compliance
Intervention”, Austin, TX March 29, 2006 (n = 42)

Gulf Coast Section-American Industrial Hygiene Association, “The
Compelling Display of Health & Safety Information for Desired Decision
Making”, Houston, TX, March 30, 2006 (n = 26)

Houston Community College Radiologic Technologist Continuing
Education Program “Comprehending the Threat of Domestic Radiological
Terrorism” Houston, TX, April 1, 2006 (n = 145)

Texas Environmental Health Association “Comprehending the Threat of
Domestic Radiological Terrorism” Texas City, TX, April 5, 2006 (n = 52)

University of California System “EH&S Academy 40 Hour Training
Course” Sacramento, CA April 10-14, 2006 (n = 49)

Greater Houston Industrial Hygiene Council “The Compelling Display of
Health & Safety Information for Desired Decision Making”, Houston, TX,
April 20, 2006 (n = 45)

Greater Houston Industrial Hygiene Council “Risk Management and
Insurance Primer for Industrial Hygienists”, Houston, TX, April 20, 2006
(n = 45)

University of Louisville “On site EH&S Academy” Louisville, KY, May
1, 2006 (n = 35)

Gulf Coast Section American Society of Safety Engineers “The
Compelling Display of Health & Safety Information for Desired Decision
Making”, Houston, TX, May 4, 2006 (n = 65)

The 38th Annual National Conference on Radiation Control “An Analysis of Variables Influencing the Number of Radiation Overexposure Events in Texas from 1970 to 2000”, Detroit, MI, May 8, 2006 (n = 84)

American Industrial Hygiene Association Conference and Exposition, “Risk Management and Insurance Primer for Industrial Hygienists”, Chicago, IL, May 14, 2006 (n = 50)

Baylor College of Medicine Department of Radiation Physics Fundamentals of Radiological Protection Course “Radiation Protection Program Outcomes”, Houston, TX May 18, 2006 (n = 9)

North Corridor Regional Hospital Preparedness Council “Comprehending the Threat of Radiological Terrorism”, Houston, TX May 19, 2006 (n = 18)

Texas Chemical Council “What Didn’t Happen?”, Galveston, TX June 5, 2006 (n = 160).

Texas Chemical Council “Pandemic Influenza Table Top Training Exercise”, Galveston, TX June 7, 2006 (n = 22).

Gulf Coast Federal Safety Council “Pandemic Influenza Table Top Training Exercise”, Clear Lake, TX June 14, 2006 (n = 12).

Texas Tech University Health Science Center “Pandemic Influenza Table Top Training Exercise”, Lubbock, TX June 15, 2006 (n = 130).

Health Physics Society Professional Enrichment Program Session “EH&S Boot Camp for Health Physicists- a three part series”, Providence, RI June 25, 2006 (n = 63)

National Safety Council Campus Safety Health and Environmental Management Association “EH&S Mini Academy” Anaheim, CA, July 15-16, 2006 (n = 33)

National Safety Council Campus Safety Health and Environmental Management Association “The Compelling Display of Health & Safety Information for Desired Decision Making” CA, July 18, 2006 (n = 73)

Texas Woman’s University Health Care Administration Course 5493, Performance Measurements and Quality, “The Compelling Display of Health & Safety Information for Desired Decision Making“, Houston, TX July 19, 2006 (n = 48)

Houston Area Hospitals Emergency Management Collaborative & Downtown Corridor of the Regional Hospital Preparedness Council

“Comprehending the Threat of Radiological Terrorism”, Houston, TX
August 4, 2006 (n = 30)

College and University Hazardous Waste Management Association
National Conference “The Compelling Display of Hazardous Waste
Information for Desired Decision Making” Galveston, TX, August 7, 2006
(n = 62)

American Society for Safety Engineers Region III Professional
Development Conference “The Compelling Display of Hazardous Waste
Information for Desired Decision Making” Austin, TX, August 8, 2006 (n
= 85)

Alabama Governor's Safety & Health Conference, "Security 101 for
Safety Professionals", 19th Annual Meeting, Orange Beach, AL, August
28, 2006 (n = 22)

Alabama Governor's Safety & Health Conference, " The Compelling
Display of Hazardous Waste Information for Desired Decision Making”,
19th Annual Meeting, Orange Beach, AL, August 28, 2006 (n = 65)

Association of College and University Auditors Annual Conference,
“What College and University EH&S Programs Do”, Louisville, KY,
September 11, 2006 (n = 60).

NASA Occupational Medicine Program Teleconference Safety Series
"The Compelling Display of Health and Safety Information for Desired
Decision Making”, Johnson Space Flight Center, Houston, TX, September
14, 2006 (n = 23).

Professional Conference on Industrial Hygiene “The Compelling Display
of Health and Safety Information for Desired Decision Making”, San Jose,
CA, September 18, 2006 (n = 18).

American Society for Safety Engineers 1st Annual Alaska Occupational
Safety Summit “The Compelling Display of Health and Safety
Information for Desired Decision Making” Anchorage, AK, September
21, 2006 (n = 65)

American Society for Safety Engineers 1st Annual Alaska Occupational
Safety Summit “Effectively Selling Your Health and Safety Program”
Anchorage, AK, September 21, 2006 (n = 45)

University of Texas System Risk Conference “Informed Risk for
Operational Managers”, Galveston, TX, October 2, 2006 (n = 61).

HONORS, AWARDS & PROFESSIONAL RECOGNITION

Special Recognition for Contributions to Southwest Center for Occupational and Environmental Health (SWCOEH) Education Resource Center, July 1997

University of Texas-Houston Health Science Center President's Award for Mentoring Women, 1999 Administrative & Professional Staff Mentor.

South Texas Chapter - Health Physics Society, Robely D. Evans Medal nominee, 1999 - 2000.

Peer Recognition for Outstanding Scholarship , UTHSC-H School of Public Health, 2000.

National Safety Council Campus Safety, Health, and Environmental Management Association Innovative Program Award of Recognition: UT-Houston *Environmental Protection Program Update* 2000.

Peer Recognition for Outstanding Scholarship, UTHSC-H School of Public Health, 2001.

National Safety Council Campus Safety, Health, and Environmental Management Association Innovative Program Award of Distinction: *Pilot Compliance Incentive Program*, 2001.

Texas Radiation Advisory Board Commendation for service to State on improving compliance and support of homeland defense activities, April 2003.

National Safety Council Campus Safety, Health, and Environmental Management Association Innovative Program Award of Recognition: UT-Houston *A Unique Laboratory Risk Assessment Tool to Minimize Losses and Enhance the Prospects of Business Continuity*, 2003.

American Industrial Hygiene Association, Recognition of Excellence: Top Ten Professional Development Course "A Risk Management & Insurance Primer for Industrial Hygienists", (Ranked 6th of 75 courses), Atlanta, GA, May 2004.

The University of Texas Health Science Center at Houston Michael J. Jimenez Leadership in Action Award, February 2006.
