

## CURRICULUM VITAE

Ralph F. Frankowski, B.Sc., M.S., M.P.H., Ph.D.  
February, 2010

### PRESENT POSITION AND ADDRESS:

Professor of Biostatistics office phone: 713-500-9320  
University of Texas Health Science Center at Houston  
School of Public Health fax: 713-500-9442  
1200 Herman Pressler Drive, W-1008 email: Ralph.F.Frankowski@uth.tmc.edu  
Houston, Texas 77030

### EDUCATION:

B.Sc., (Mathematics), DePaul University, College of Liberal Arts & Sciences, Chicago, Illinois, 1957  
M.S., (Mathematics), DePaul University, Graduate School, Chicago, Illinois, 1959  
M.P.H. (Biostatistics), The University of Michigan, School of Public Health, Ann Arbor, MI, 1962  
Ph.D., (Biostatistics), The University of Michigan, Rackham Graduate School, Ann Arbor, MI, 1967

### Graduate School Academic Awards

1957; Pi Mu Epsilon, National Honorary Mathematics Society, DePaul University  
1957-1959; Mathematics Graduate Teaching Assistantship Award, DePaul University  
1959; Delta Sigma, National Catholic Honor Society, DePaul University, Graduate School  
1962-1965; USPHS Biostatistics Traineeship, University of Michigan, School of Public Health,  
1963; Delta Omega, Honorary Public Health Society, University of Michigan, School of Public Health

### Professional and Teaching Experience

#### Academic Appointments

1959-1962; Instructor, Department of Mathematics, Barat College, Lake Forest, Illinois  
1965-1969; Assistant Professor of Biostatistics, Department of Biostatistics, School of Tropical Medicine & Public Health, Tulane University, New Orleans, Louisiana  
1970-1976; Associate Professor of Biometry, Biometry Faculty, The University of Texas School of Public Health, Houston, Texas and Adjunct Associate Professor of Mathematical Science, Department of Mathematical Sciences, Rice University  
1976-current; Professor of Biometry (Biostatistics), The University of Texas School of Public Health, and Adjunct Professor, Department of Statistics, Rice University

**Academic Administration**

1971-1973; Convener, Biometry Faculty, The University of Texas School of Public Health

1972-1973; UTSPH Faculty Representative to the Chancellor, The University of Texas System

1976-1982; Associate Dean for Academic Affairs, The University of Texas School of Public Health

1993-1995; Interim Director, UTSPH Center for the Prevention of Injury and Violence

**University Committees and Community Service Committees**

UTHSCH Health Science Center Interfaculty Council, 1985-1986

UTHSCH President's Standing Committee on Interpersonal Violence, 1985-1989

UTSPH Minority Advisory Committee, 1984-1989

Texas Head Injury Foundation, Advisory Board, 1985-1988

UTHSCH Advisory Committee for Selection of a Dean for the University of Texas School of Public Health, 1987

UTHSCH Advisory Committee for the Selection of a President for the University of Texas at Houston Health Science Center, 1988

Southern Regional Educational Programs Accreditation Committee, 1988

State of Texas Technological Extension of Life Legal Review Committee, 1989

UTHSCH Health Science Center Salary Equity Committees 1985, 1990, 1995, 1996

Harris County Medical Society Trauma Prevention Committee, 1992-1995

UTSPH Community Health Advisory Board, 1995-1996

UTSPH Master of Public Health Thesis Criteria Committee, 1996

UTHSCH Committee for the Protection of Human Subjects (CPHS), Institutional Review Board, member, 1992-1996.

UTHSCH Committee for the Protection of Human Subjects (CPHS), Institutional Review Board. Vice-Chair, 1997-2007

The University of Texas MD Anderson Cancer Center. Search Committee for Chairman of the MD Anderson Department of Biostatistics. 1998.

UTHSCH President's Scholar Awards in Teaching and Research Selection Committee, 2003.

UTSPH Public Health Practice Council 2003-2010

UTHSCH, Medical School, Neuroscience Research Center, Executive Committee, 2004-2010

UTHSCH, Chairman, Scientific Misconduct Inquiry Committee, 2007

Chair, UTSPH Biostatistics Faculty Search Committee 2008-2010

Data and Safety Monitoring Board Membership, University of Texas Health Science Center at Houston, NIH Center for Clinical and Translational Sciences, 2009-2010

### **Continuing Education Professional Experience**

Program Director, 16th and 17th Annual Graduate Session of Statistics in the Health Sciences (Houston, TX and Boston, MA). Department of Health, Education, and Welfare, Bureau of Health Resources Development, 1974-1976.

Course Director, Biostatistics, Upjohn Company, Kalamazoo, Michigan, 1976.

Course Director, Demographic Analysis II. The Applied Statistics Training Institute, National Center for Health Statistics. 1977-1982.

Program Co-Chairman, 1982 Conference on Control and Prevention of Injury, International Center for Health at Galveston, (The Moody Foundation). Proceedings published in volume 73, Texas Medicine, 1983 and reprinted.

Faculty Member, Continuing Medical Education Course 58: Head Trauma: A Clinician's Primer, American Psychiatric Association, 138th Annual Meeting, Dallas, Texas, 1985.

Course Director, Elements of Medical Statistics, Department of Medicine, Houston Veterans Administration Hospital, 1985.

Course Director, Meta-Analysis: A Quantitative Approach to Research Integration, UTSPH Continuing Education Course in collaboration with Ingram Olkin, Stanford University and Larry Hedges, The University of Chicago, 1988.

Faculty Member, Basic Curriculum (Biostatistics) in Occupational Medicine, American College of Occupational Medicine, San Antonio, TX and Boston, MA. 1988-1989

Co-Chairman, Conference on Outcome Measures in Head Injury Therapeutic Clinical Trials, National Institute of Neurological Disorders & Stroke, Houston, 1991.

Committee on Continuing Education, American Statistical Association, Section on the Teaching of Statistics in the Health Sciences, 1995-1997.

Organizing Committee Member. The 29<sup>th</sup> Symposium on the Interface between Computing Science and Statistics (1997).

UTSPH Coordinator: Partnerships for Preventing Violence: MCET Live Satellite Broadcast 1998-1999.

UTSPH Coordinator: White House Conference on School Safety: Causes and Prevention of Youth Violence. Live Satellite Broadcast, 10/15/98

Steering Committee member and Faculty, UTHSCH Medical School, Department of Psychiatry and Behavioral Science April 24, 1999 Research Conference: Current Perspectives on Juveniles and Violence. Program Committee member, UTSPH Conference: Ethical Issues in Occupational Health Research, Oct. 29-30, 1999.

Planning Committee member, PRIM&R, UTHSCH Committee for Protection of Human Subjects, and the UTSPH Southwest Center for Occupational & Environmental Health Conference, Exploring Cultural Currents: Domestic and International Issues in Research with Human Subjects. April 25-26, 2003.

UTSPH Course Coordinator: Biometry Continuing Education; Multilevel Models Workshop, 2004.

Baylor College of Medicine and Texas Childrens Hospital, Scholarship Oversight Committee for Fellowship Research in Critical Medicine, 2007-2009

Faculty mentor, University of Texas School of Medicine at Houston, Adolescent Medicine Fellowship Program 2007-2010

### **Federal and National Public Advisory Boards and Committees**

Veterans Administration. Operations Committee, Cooperative Studies of Surgery for Coronary Artery Disease, 1973-1988.

National Institutes of Health, National Heart, Lung, and Blood Institute. Coronary Artery Surgery Studies (CASS). Policy Advisory & Data Monitoring Committee, 1975-1983.

National Institutes of Health, National Heart, Lung, and Blood Institute. Cardiology Public Advisory Committee, 1976-1981.

National Institutes of Health, National Institute of Neurological and Communicative Diseases and Stroke. Steering Committee for the Coma Data Bank, 1978-1979.

National Institutes of Health, National Institute of Neurological and Communicative Diseases and Stroke. Office of Biometry and Field Studies, Statistical and Research Advisory Committee, 1981-1983.

National Institutes of Health, National Institute of Neurological and Communicative Diseases and Stroke. Scientific Programs Public Advisory Committee, 1982-1983.

National Institutes of Health, National Institute of Neurological and Communicative Diseases and Stroke. Division of Stroke and Trauma, Advisory Committee, 1985-1990.

Centers for Disease Control. Division of Injury Epidemiology and Control, Advisory Committee for Modification of International Classification of Diseases (ICD-10) Cause-of-Injury Codes, 1986-1989.

Centers for Disease Control and Prevention, National Center for Injury Prevention and Control. Drafting Group for Standards for Traumatic Brain Injury Surveillance, 1988-1992.

Department of Defense, Henry M. Jackson Foundation for the Advancement of Military Medicine. Defense and Veterans Head Injury Program. Scientific Advisory Board 1993-2004.

Center to Protect Workers' Rights (CPWR). Co-Chairman, Technical Advisory Board (TAB), 2000-2010  
CPWR is the research arm of the Building and Trades Department of the AFL-CIO. By a cooperative agreement with the National Institute of Occupational Health and Safety, TAB reviews and funds pilot research grants in the prevention of occupational injury and disease.

Centers for Disease Control and Prevention, National Center for Injury Prevention and Control. Member; Injury Research Grant Review Committee, 1994-2003.

Centers for Disease Control and Prevention, National Center for Injury Prevention and Control, Chairman; Injury Research Grant Review Committee, 1997-2002.

Centers for Disease Control and Prevention, National Center for Injury Prevention and Control, Vice-Chair, Acute Care Research Agenda Steering Committee, 2003-2005, 2006-2008.

Defense and Veterans Brain Injury Center, Uniformed Services Health Science Center, Walter Reed Army Medical Center, Chairman, Scientific Advisory Board, 2004-2007.

Veterans Affairs Medical Center (Houston) External Advisory Committee for the Center for Quality of Care and Utilization Studies, 2004-2006.

National Institutes of Health, National Center for Injury Prevention and Control, Special Emphasis Panel, March 30, 2009

#### **Research and External Advisory Committees**

The University of Iowa, Department of Neurosurgery, Advisory Committee, NIH-NINDS Cooperative Aneurysm Study, 1985-1986.

The University of Virginia, Department of Neurosurgery, Executive Committee, NIH-NINDS International Cooperative Study on Timing of Aneurysm Surgery, 1986-1991.

The University of Virginia, Department of Neurosurgery, Advisory Committee, NIH-NINDS Multicenter Randomized Trial of Nicardipine in Subarachnoid Hemorrhage, 1988-1991.

Baylor College of Medicine, Department of Neurological Surgery, External Advisory and Data Monitoring Committee, NIH-NINDS Program Project Grant; "Treatment of Physiological Disturbances in Head Injury" 1989- current.

The University of Iowa, Department of Neurology, Advisory Committee, NIH-NINDS Multicenter Randomized Trial of Org 10172 in Acute Stroke Treatment, 1990-1997.

Texas Department of Health and the Texas Health Foundation. Strategic Planning Committee for a Statewide Emergency Medical Services System, 1992.

University of Texas Medical School, Department of Neurosurgery, Advisory Committee, NIH-NINDS National Acute Brain Injury Study (NABIS) 1993-1998:

Cooper Institute for Aerobics Research, Scientific Advisory Board, NIH-NHLBI Project Active: A Randomized Clinical Exercise Trial for Reduction of Cardiovascular Risk Factors, 1993-1997.

University of Houston Law Center, Health Law and Policy Institute, Study and Legislative Advisory Group on "Violence and Health in Texas", 1995-1996.

The University of Texas at El Paso, College of Science, External Advisory Committee, NIH-RCMI Program, Border Biomedical Research Center, 1996-1997.

UTHSCH School of Medicine and Baylor College of Medicine. Physical Medicine and Rehabilitation Alliance Research Committee 1998-2002.

University of California, Los Angeles Medical Center. Division of Neurosurgery. External Advisory Committee, NIH-NINDS Program Project grant, “Neurometabolic Pathobiology of Traumatic Brain Injury”, 1998-2002.

The Children’s Assessment Center, Houston, TX. Medical Services Evaluation Program Committee, 1997-2000.

National Institutes of Health, National Institute of Neurological Disorders and Stroke. Data and Safety Monitoring Board. (IHAST 2) Hypothermia during Intracranial Aneurysm Surgery. The University of Iowa. (Michael M. Todd, MD, Principal Investigator). 2000-2004.

National Institutes of Health, National Institute of Neurological Disorders and Stroke. Data and Safety Monitoring Committee. Effect of L-Arginine on Cerebral Hemodynamics in Patients with Regional or Global Brain Ischemia after Traumatic Brain Injury. (NIH Grant P01NS38660, Claudia Roberston, MD, Principal Investigator.) 2002-2005.

Department of Veterans Affairs. VAMC Iowa City, IA. Planning Committee, “The Midwest Gulf War Cohort Study” VA Cooperative Study 528. (Bradley Doebbeling, MD Study Chairman) (2002).

National Institutes of Health, National Institute of Neurological Diseases and Stroke, Observational Study Monitoring Committee, Etiology of Racial Differences in Stroke, Project REGARDS. (George Howard, PhD, UAB, Principal Investigator) 2003-2010.

National Institutes of Health, National Institute of Diabetes & Digestive & Kidney Diseases, Data Monitoring and Safety Committee, Ingested Interferon Alpha: Prolongation of Permanence of the “Honeymoon” Phase in Newly Diagnosed Diabetes Mellitus. (Kristina I. Rother, MD, NIDDK, Principal Investigator) 2004-2008.

The National Academies, Institute of Medicine. Washington, D.C. Consultant to the “Committee on Spinal Cord Injury: Strategies in a Search for a Cure, Technologies and Techniques”, Board on Neuroscience and Behavioral Health. 2004. IOM report, Spinal Cord Injury: Progress, Promise, and Priorities. ISBN 0-309-09585-9.

External Advisory Committee, The University of Iowa, Injury Prevention Center, 2009-2012

National Institute for Occupational Safety and Health Project: “Research Translation for Immigrant Workers: Creating Replicable Models”. 2010

### **Ad Hoc Grant Reviewer and Scientific Consultantships**

NIH-NHLBI; NIH-NINDS; NIH-NIADDKD; NIH-NIMH; NIH-NICHD, The Veterans Administration, Cooperative Studies Program, Centers for Disease Control, National Center for Injury Prevention and Control, The National Science Foundation, The American Statistical Association, March of Dimes

Research Program, National Center for Health Statistics, Texas Department of Health; Injury Prevention Section, Texas Cancer Registry, Institute of Medicine of the National Academies

### **Awards and Commendations**

National Center for Health Statistics, Service Award, 1983

National Heart, Lung, and Blood Institute, Service Award, 1985

UTSPH Students' Golden Apple Award for Teaching Excellence, 1989

UTSPH Dean's Excellence in Teaching Award, 1993, 2002-2005, 2007, 2008, 2009

UT-H Health Science Center Excellence in Scholarship Award, 1995 – 2002, 2004-2006, 2009

American Statistical Association Distinguished and Faithful Service Recognition, 2001

Nominated for the 2002 Charles C. Shepard Science Award (CDC/ATSDR)

Recognition and Appreciation Certificate for service as Member, Injury Grant Review Committee of the Centers for Disease Control and Prevention 1994-1997

Recognition and Appreciation Certificate for service as Chair, Injury Grant Review Committee of the Centers for Disease Control and Prevention 1997-2001

Mentoring Award Nomination, UTHSCH Committee on the Status of Women, 2003

Appreciation Certificate in recognition and appreciation for service on the Advisory Committee for Injury Prevention and Control of the Centers for Disease Control and Prevention, 2007.

### **Professional Association Activities**

American Public Health Association:

Council on Population, 1970-1971

Task Force on Domestic Population Policy, 1971-1972

APHA Action Board, 1972

Committee of Membership, 1980-1984

Spiegleman Awards Committee, 1980-1985

American Statistical Association:

Chairman, Local Arrangements Committee

1980 National American Statistical Assn. Meeting

Initiative for a Journal Series Revision, 1990

Continuing Education Committee:

Teaching of Statistics in the Health Sciences, 1991-93

Chairman, R. D. Remington Memorial Session, 1993

Nominee, Chairman: ASA Section on Teaching of Statistics in the Health Sciences, 1993

Biometrics Society: Chairman: Scientific Session,

Statistical Issues in the Analysis of Neuroscience Data,

## Editorial Activities

Editorial Board: Biometry Imprint Series, Monograph Publishing Series, University Microfilms International, 1977-1982.

Guest Editor: Texas Medicine, 1983.

Editor-at-Large: Biostatistics Series, Marcel Dekker, Inc.

Text Book Reviewer:

Duxbury Press, 1992

Springer-Verlag Publishers, 1990-1993

Oxford University Press 1995.

Van Norstand, 1996,

### **Journal Manuscript Reviewer:**

Biometrics, 1975, 1976, 1996

Circulation, 1980, 1997, 1998

American Statistical Association, 1983

The American Statistician, 1983, 1984, 1996

Controlled Clinical Trials 2003-2005

Medical Care 2003-2005

J Health Education Research 2005 and 2007

Social Science Quarterly 2007

Journal of Neurotrauma 2010

### **American Public Health Association: Statistics Section**

Selection Committee for platform presentations annual APHA Meetings 2001-2007

### **Research Grants and Contracts Awarded (Principal Investigator)**

Biostatistics Training Grant: Biostatistics 5 T01 HS-00067, National Center for Health Services Research, 1971-1977

Summer Session of Statistics in the Health Sciences, PHS Bureau of Health Resources Development, 1972-1977

Comprehensive Central Nervous System (CNS) Trauma Center, N01-NS-9-2314, National Institutes of Health, National Institute of Neurological, Communicative Disorders, and Stroke, 1982-1987

North American Clinical Trials Network for Traumatic Spinal Cord Injury, Statistical Coordinating Center, Christopher Reeve Paralysis Foundation, 2004-2010.

### **Collaborative Research Grants, Contracts, & Training Grants (post 1985)**

Central Nervous System Tumors and Occupational Exposures. National Institutes of Health, National Cancer Institute, R01-CA-32584, 1985-1990.

Neurobehavioral Outcome of Head Injury in Children. National Institutes of Health, National Institute of Neurological, Communicative, Disorders, and Stroke, R49-CCR-603629, 1991

Meta-Analysis of Patient Care. National Center for Health Services Research and Technology Assessment, R03-HS-05959, 1989-1992.

Reduction of Injury Hazards in Family Day Care Homes. Centers for Disease Control and Prevention, R49-CCR-603629, 1990-1992.

Violence Prevention in Middle Schools: A Randomized Curriculum Evaluation. Hogg Foundation for Mental Health Research Grant, 1992.

Project Active: a randomized controlled trial to evaluate the effectiveness of lifestyle physical activity to promote change in physical fitness and cardiovascular health. National Institutes of Health, National Heart, Lung and Blood Institute, Grant 1R01HL48597, 1991-1997.

The Students for Peace Project. A Randomized School-Based Evaluation of a Comprehensive Violence Prevention Program for Middle School Students. National Center for Injury Prevention & Control, and the Division of School Health, Centers for Disease Control & Prevention, U48/CCU609953, 1993-1997.

Pharmacological Therapies for Head Injury Rehabilitation. National Center for Injury Prevention & Control, Centers for Disease Control & Prevention, R49-CCR-606659.

Case-Control Study of Risk Factors for Serious Suicide Attempts among Young Adults in Harris County, Texas. National Center for Injury Prevention & Control, Intramural Research Program, Centers for Disease Control & Prevention, Contract 200-87-0540, 1993-1998.

Clinical Research Curriculum and Mentorship Program (CRCA). National Institutes of Health, National Heart, Lung, and Blood Institute. K30 HL04137, 2000-2004

Stroke Surveillance in a Biethnic Community. National Institutes of Health, National Institute for Neurological Disease and Stroke. R01 NS 38916, 1999-2001.

Injury and Illness Surveillance in Migrant Farmworkers. National Institute of Occupational Safety and Health. 1 R01 OH070041-01, 1999-2002.

Education Resource Center Training Grant, Southwest Center for Occupational and Environmental Health. National Institute of Occupational Safety and Health. Training Grant T42-CCCT-6140417, 7/1/00-6/30/05

Development of a Surveillance System to Monitor Childhood Obesity in Texas, Texas Department of Health, Austin, TX, Acct. 320-6-9338, 2000-2005

Safety Climate and Occupational Injuries among Construction Workers, The Center to Protect Workers' Rights, 2000-2001

Trauma Training Grant: Role of the Gut in Postinjury Multiple Organ Failure, National Institutes of Health, National Institute of General Medical Sciences, 1 T32 GM08792-01, 2001-2005.

Brief Intervention to Reduce Injury in Minorities, National Institutes of Health, National Institute of Alcohol Abuse and Alcoholism, 1R01 AA 13824, 2002-2008

Traumatic Brain Injury (TBI) in Federal Prison Inmates, Centers for Disease Control and Prevention, National Center for Injury Prevention and Control, U49CE000365, 2004-2007

International Research Training Program in Injury and Trauma, National Institutes of Health, Fogarty International Center, 1 D43 TW007564-01 (2006-2011)

Training Program in Biostatistics at UTHSCH-SPH, National Institute of General Medical Sciences, 1 T32 GM074902-01A1 (2006-2010)

**Publications (Includes refereed papers, book chapters, abstracts, and papers with published acknowledgments for committee contributions, but the list excludes presentations at scientific meetings)**
