

DAVID GIMENO i Ruiz de Porras, Ph.D.

Office: The University of Texas School of Public Health, Health Sciences Center at Houston
Division of Environmental and Occupational Health Sciences
San Antonio Regional Campus, San Antonio, Texas, USA.

Physical Address

8550 Datapoint Drive, Suite 217
San Antonio, Texas 78229

Mailing Address

7703 Floyd Curl Drive, MC 7976
San Antonio, Texas 78229-7976

210-562-5500 (Main)
210-562-5511 (Direct)
210-562-5528 (Fax)
David.Gimeno@uth.tmc.edu

CURRENT POSITIONS

- Associate Professor of Occupational Health (Tenure-track). Division of Occupational and Environmental Health Sciences, San Antonio Regional Campus of The University of Texas School of Public Health, Health Science Center at Houston, USA. September 2008-present.
- Honorary Senior Research Associate. The Whitehall II Study, Department of Epidemiology & Public Health, University College London Medical School. September 2008-present.
- Adjunct Scientist. The Institute for Work and Health, Toronto, Canada. September 2008-present.

FORMER EMPLOYMENT

- Senior Research Fellow. The Whitehall II Study, Department of Epidemiology & Public Health, University College London Medical School. May 2006-September 2008.
- Post-Doctoral fellow, funded by the Fogarty International Research Training Program in Occupational and Environmental Health at the Southwest Center for Occupational and Environmental Health, The University of Texas School of Public Health, Health Science Center at Houston, Texas, USA. November 2003-May 2006.
- Temporary Lecturer in Preventive Medicine and Public Health, Occupational Health Research Unit, Department of Experimental and Health Sciences, Universitat Pompeu Fabra, Barcelona, Catalonia (Spain), January 2000-November 2003.
- Research Assistant to the "Quality of life and psychosocial factors at the workplace Program", Department of Experimental and Health Sciences, Universitat Pompeu Fabra, Barcelona, Catalonia (Spain), April 1999-January 2000.
- Clinical Psychologist, Municipal Primary Care Center, L'Espluga de Francolí, Tarragona, Catalonia (Spain). April 1998-November 2003.

EDUCATION

- Ph.D. by the Universitat Pompeu Fabra, 2003. Public Health degree track of the Health and Life Sciences Program 1999-2001, Department of Experimental and Health Sciences, Universitat Pompeu Fabra, Barcelona, Catalonia (Spain). Dissertation title: *"Psychosocial work factors and sickness absence at work: a European study"*. Qualification: Excellent "Cum Laude".
- Master in Occupational Hazards Prevention, 1999. Universitat Pompeu Fabra and Universitat de Barcelona, Barcelona, Catalonia (Spain): 1998-1999. Thesis title: *"Emotional disorders in the working population: an emerging problem in occupational health?"*.
- Advanced Technical Degree/Higher Technician in Occupational Risk Prevention: applied ergonomics and psychosociology, 1999. Employment and Industry Department [Departament de Treball] of the Government of Catalonia [Generalitat de Catalunya], Catalonia (Spain).
- B.A. in Psychology, 1997. Universitat de Barcelona, Barcelona, Catalonia (Spain): 1992-1997.

OTHER TRAINING

- Certificate in Learning and Teaching in Higher Education (CLTHE). Module 1 (EDUCGC01): Exploring Learning in Higher Education [30 credits at Master's level]. Centre for the Advancement of Learning and Teaching (CALT), University College London, London, October 2006- May 2007.
- Economic and Social Research Council (ESRC) Survey Link Scheme workshop. City University workshop, London, January 10th, 2007.
- "Methods in Epidemiology". Prof. Moyses Szklo and Prof. George W. Comstock. XVIII Annual Graduate summer Institute of Epidemiology and Biostatistics, School of Hygiene and Public Health, The Johns Hopkins University, Baltimore, Maryland, USA. June to July, 2000.
- "Epidemiology of psychosocial work environment health". Prof. Tage S. Kristensen (AMI, Denmark). Institut Universitari de Salut Pública de Catalunya (Barcelona) in collaboration with The Johns Hopkins University (Baltimore, USA) and the Institut Municipal de Salut Pública of Barcelona, Catalonia (Spain). May, 2nd-5th, 2000.
- "Assessing risk for mental health problems at the community and individual level". Institut Universitari de Salut Pública de Catalunya (Barcelona) in collaboration with The Johns Hopkins University (Baltimore, USA) and the Institut Municipal de Salut Pública of Barcelona. April, 3rd-7th, 2000.
- Logistic Regression. Montserrat Rue, Ph.D. Institut Universitari de Salut Pública de Catalunya (Barcelona). March, 22nd-31st, 1999.

PROFESSIONAL INTERESTS

- Occupational and social epidemiology
- Measurement of work organizational exposures

- Psychosocial work exposures and health
- Employment status and health
- Social inequalities in health
- Multilevel statistical models applied to occupational health
- Measurement of work disability and productivity
- Cross-national epidemiological studies

LANGUAGES

- Catalan, English and Spanish (speak, read and write)
- Albanian, Italian (conversational)

PROFESSIONAL ORGANIZATION MEMBERSHIPS

- Member, American Psychological Association (2000-2004)
- Member, Catalan Psychological Association (Spain) (1997-2003)

Other memberships

- Occupational Health Research Unit (OHRU), Department of Experimental and Health Sciences at Universitat Pompeu Fabra, Barcelona, Catalonia (Spain).
- CIBER (Centro de Investigación Biomédica en Red) Epidemiología y Salud Pública (CIBERESP), Spain.
- International Subcommittee of the UCL International Centre for Life Course Studies in Society and Health. Funded by the Economic & Social Research Council (ESRC, UK).

AWARDS

- XIV award Catalan Society of Safety and Occupational Medicine. November, 2002.
- 2nd Prize, Research Day Poster Competition, The University of Texas Health Science Center at Houston. November 18, 2005.

TEACHING

Courses at the University College London Medical School, London, UK

- Multilevel Modelling for Health Research. (Assistant; Taught by faculty Harvey Goldstein, Jon Rasbash and Fiona Steele from the Centre for Multilevel Modelling, University of Bristol; and Jenny Head and Mai Stafford from the Department of Epidemiology, UCL). UCL Graduate School, 12-13 June 2008.

- Statistical Methods in Epidemiology. (Co-taught with faculty from UCL Department of Epidemiology & Public Health and from the London School of Hygiene and Tropical Medicine). Msc / Diploma: Health and Society: Social Epidemiology, Course 2008.
- Society and the Individual course (Co-taught with faculty from UCL Department of Epidemiology & Public Health). Undergraduate medical degree program Royal Free and University College Medical School. Courses 2006/07 and 2007/08.
- Statistical analysis methods for epidemiology and social sciences. (Co-taught with faculty from UCL Department of Epidemiology & Public Health). UCL Graduate School, Course 2007 and 2008.

Courses at the University of Texas School of Public Health, Houston, TX

- [PH1999] Individual Study in Biostatistics (Biometry) - Applied Multilevel Statistical Models (Co-taught with Benjamin C. Amick III, Ph.D. and Ron Harrist, Ph.D.). Spring Semester 2004 and Fall 2005, 3 credit hours.
- [PH2998] Social Epidemiology and Social Justice (Co-taught with Benjamin C. Amick III, Ph.D. and Stephen Linder, Ph.D.). Spring and Fall Semester, 3 credit hours. Taught twice annually since 2004.
- [PH1498] Society and Health (Co-taught with Benjamin C. Amick III, Ph.D.). Spring and Fall Semester 2005, 3 credit hours.

Courses in Latin American countries linked to the Fogarty Program in Houston

- Course (32 hours) in Occupational Psychosociology: Epidemiology of Psychosocial Work Risks Factors (Course director; co-taught with Tonatiuh Barrientos, M.D., M.S.). Diplomado de Higiene y Seguridad Ocupacional. The Universidad Nacional Autónoma de Nicaragua-León in collaboration with the Instituto Nicaragüense de Seguridad Social, the school of occupational medicine of Università degli Studi di Verona (Italy), the Società Nazionale Operatori della Prevenzione negli Ambienti di vita e di lavoro (SNOP) of the Veneto Region (Italy), the University of Washington and the University of Texas School of Public Health at Houston, August 26th-30th, 2005.
- Course (20 hours) in Epidemiology of Psychosocial Work Risks Factors. Programa Intensivo de Formación 2005 of the Instituto de Altos Estudios en Salud Pública "Dr. Arnoldo Gabaldon", Ministerio de Salud y Desarrollo Social, Maracay (the Bolivarian Republic of Venezuela), August 8th-13th, 2005.
- Course (8 hours) in Epidemiology of Psychosocial Factors at Work and their Effects on Health (Course director; co-taught with Susana Martínez, M.S. and Tonatiuh Barrientos, M.D., M.S.). Pre-conference course at III Conferencia en Salud Ocupacional y Ambiental en las Américas. Alajuela (Costa Rica). Organized by the Instituto Regional de Estudios en Sustancias Tóxicas, and Universidad Nacional, Heredia, Costa Rica (IRET- UNA), February 5th, 2005.

Courses at the Universitat Pompeu Fabra, Barcelona, Catalonia (Spain)

- [11452] Social Action at Work (Co-taught with faculty from Department of Law and Department of Political and Social Sciences). University School of Labour Relations. Spring Semester, 3 credit hours. Taught annually 2000-2003.
- [11444] Occupational Health I, University School of Labour Relations. (Co-taught with Fernando G. Benavides, MD, Ph.D. and Joan Benach, MD, Ph.D.). Spring Semester, 4 credit hours. Taught annually 2001-2003.

Lecturer in:

- Psychosocial Work Factors. Master in Public Health, Department of Experimental and Health Sciences, 2004.
- Workplace Health Promotion: Weight Control and Obesity. Postgraduate Diploma on Occupational Nursing, Continuing Education Institute (IDEC), 2000-2003.

GRANT REVIEW

- Ad-Hoc Reviewer, Clinical Research Training Fellowship, The Wellcome Trust (2005).
- NIOSH ERC Pilot Projects Research Training Program, by the National Institute for Occupational Safety and Health (NIOSH) through the Southwest Center for Occupational and Environmental Health (SWCOEH) at the School of Public Health of The University of Texas Health Science Center at Houston (2003-present).
- Fogarty Pilot Projects Research Training, by the Fogarty International Center / National Institutes of Health (NIH), through the SWCOEH at The University of Texas School of Public Health at Houston (2003-present).

MANUSCRIPT REVIEWER

- Biological Psychiatry (2008-present)
- Psychological Medicine (2008-present)
- American Journal of Epidemiology (2008-present)
- Ethnicity and Health (2007-present)
- Journal of Psychosomatic Research (2006-present)
- Acta Psychiatrica Scandinavica (2006-present)
- Journal of Occupational and Organizational Psychology (2005-present)
- Salud de los Trabajadores [In Spanish] (2005-present)
- Medical Science Monitor (2005-present)
- American Journal of Preventive Medicine (2004-present)
- Social Science and Medicine (2004-present)

- Archivos de Prevención de Riesgos Laborales [In Spanish] (2000-present)
- Gaceta Sanitaria [In Spanish] (2000-present)
- Occupational and Environmental Medicine (2000-present)
- Journal of Epidemiology and Community Health (2000-present)

INSTITUTIONAL/DEPARTMENTAL ACTIVITY

University College London, London, UK

- Coordinator, Whitehall II Research group Scientific Outputs seminars, 2007.
- Member of the working group for the elaboration of the “Newsletter Summer 2007” leaflet for the participants in the Phase 9 of the Whitehall II study.

University of Pompeu Fabra, Barcelona, Catalonia (Spain)

- University Senate Representative of Ph.D. Students, 2002-2003.
- Staff Meeting Representative of Ph.D. Students, 2002-2003.
- Member, Statute Editorial Group, 2002-2003.

INVITED LECTURES / SEMINARS

1. *A summary of work on inflammatory markers*. **Place:** University College London, The Whitehall II Study Afternoon Tea, at the Department of Epidemiology and Public Health. **Date:** June 27th, 2008.
2. *Psychosocial work environment and leisure time physical activity*. **Place:** Environmental and Occupational Health Sciences Research Seminar Series. Division of Environmental and Occupational Health Sciences, The University of Texas School of Public Health, Health Science Center at Houston, Texas, USA. **Date:** November 30th, 2007.
3. *Psychosocial work environment and leisure time physical activity*. **Place:** The San Antonio Regional Campus of The University of Texas School of Public Health. **Date:** November 26th, 2007.
4. *The effect of psychosocial work exposures on return to work after carpal tunnel surgery*. **Place:** Scientific sessions at the Barcelona Biomedical Research Park (PRBB), Catalonia (Spain). Organized by the U.R. Salut Laboral / Centre de Recerca en Epidemiologia Ambiental (CREAL). **Date:** June 27th, 2006.
5. *Organizational and Occupational Risk Factors Associated with Work-Related Injuries Among Public Hospital Employees in Costa Rica*. **Place:** Occupational Medicine Journal Club. Southwest Center for Occupational and Environmental Health. Division of Environmental and Occupational Health Sciences, The University of Texas School of Public Health, Health Science Center at Houston, Texas, USA. **Date:** February 16th, 2006.
6. *Do we need to consider work organization exposures in the return to work process?* **Place:** Environmental and Occupational Health Sciences Research Seminar Series. Division of Environmental and Occupational Health Sciences, The University of Texas School of Public Health, Health Science Center at Houston, Texas, USA. **Date:** February 10th, 2006.

7. *The effect of psychosocial work exposures on return to work after carpal tunnel surgery.* **Place:** University College London, The Whitehall II Study at the Department of Epidemiology and Public Health. **Date:** December 6th, 2005.
8. *The role of gender and employment on the relationship between psychosocial work exposures and health.* **Place:** Division of Epidemiology and Disease Control, The University of Texas School of Public Health, Health Science Center at Houston, Texas, USA. **Date:** August 15th, 2005.
9. *Current Research Activities & Academic Interests Seminars.* **Place:** Environmental and Occupational Health Research Seminar. Division of Environmental and Occupational Health Sciences, The University of Texas School of Public Health, Health Science Center at Houston, Texas, USA. **Date:** November 17th, 2004.
10. *The role of gender and labor markets on the relationship between psychosocial work conditions and health.* **Place:** Center for Occupational and Environmental Health (COEH). University of California, Irvine, USA. **Date:** September 30th, 2004.
11. *Factores de riesgo organizacionales y ocupacionales asociados con accidentes laborales en empleados de hospitales públicos de Costa Rica.* [Organizational and occupational risk factors associated with work-related injuries among public hospital employees in Costa Rica]. **Place:** San José (Costa Rica). **Organization:** International Social Security Association- Subregional Office for Central America and Spanish-speaking Caribbean countries, San José (Costa Rica). **Date:** October 21st, 2004.

FUNDED RESEARCH

USA

1. **Project title:** *Southwest Center for Occupational and Environmental Health International Injury Prevention Research and Training Program [1D43TW007564-01].* **Funding agency:** National Institutes of Health Fogarty International Center. **Principal investigator:** Benjamin C. Amick III. **Total costs:** USD 805,135. **Role:** Consultant. **Period:** 2006-2011.

SPAIN (*In Spain funding supports the research but not the salary*)

1. **Project title:** *Papel de los factores psicosociales y culturales en la incapacidad laboral por trastornos musculoesqueléticos (CUPID)* [Cultural and psychosocial influences on disability (CUPID)]. **Funding agency:** Fondo de Investigación Sanitaria. **Principal investigator:** Consol Serra. **Role:** Co-investigator. **Period:** 2007-2010.
2. **Project title:** *Reincorporación al trabajo después de un episodio de incapacidad temporal: análisis de los factores pronósticos.* [Return to work after a sickness absence spell: analysis of prognostic factors]. **Funding agency:** Fondo de Investigación Sanitaria. **Principal investigator:** Fernando G. Benavides. **Total costs:** €65,550 [USD 84,600]. **Role:** Co-investigator. **Period:** 2005-2008.

3. **Project title:** *Análisis de la distribución y evolución de la mortalidad en áreas pequeñas en España por causas relacionadas con riesgos laborales (1984-1998)*. [Analysis of the distribution and evolution of mortality in small areas in Spain by work-related causes]. **Funding agency:** Fondo de Investigación Sanitaria. **Principal investigator:** Joan Benach. **Total costs:** €26,450 [USD 34,000]. **Role:** Co-investigator. **Period:** 2003-2005.
4. **Project title:** *La precariedad laboral y su efecto sobre la salud y la calidad de vida*. [Precarious employment and its effect on health and quality of life]. **Funding agency:** Comisión Interministerial de Ciencia y Tecnología. **Principal investigator:** Joan Benach. **Total costs:** €48,840 [USD 62,781]. **Role:** Co-investigator. **Period:** 2003-2005.
5. **Project title:** *Investigación en epidemiología y salud pública: determinantes, mecanismos, métodos y políticas*. [Research on epidemiology and public health: determinants, mechanisms and policies]. **Funding agency:** Red de Centros de Epidemiología y Salud Pública RCESP. Instituto de Salud Carlos III. **Principal investigator:** Fernando G. Benavides. **Total costs:** €65,781 [USD 84,558]. **Role:** Co-investigator. **Period:** 2003-2005.
6. **Project title:** *Análisis de las causas de los accidentes de trabajo en España*. [Cause analysis of the work-related injuries in Spain]. **Funding agency:** Comisión Interministerial de Ciencia y Tecnología. **Principal investigator:** Fernando G. Benavides. **Total costs:** €34,558 [USD 44,220]. **Role:** Co-investigator. **Period:** 2003-2005.
7. **Project title:** *Riesgos psicosociales laborales asociados a la incapacidad temporal en una cohorte de conductores de autobuses de transportes de Barcelona*. [Psychosocial work factors associated to sick leave in a cohort of bus drivers in Barcelona]. **Funding agency:** Fondo de Investigación Sanitaria. **Principal investigator:** Fernando G. Benavides. **Total costs:** €8,710 [USD 11,200]. **Role:** Co-investigator. **Period:** 2000-2001.
8. **Project title:** *Secondary analysis on the Third European Survey on Working Conditions*. **Funding agency:** European Foundation for the Improvement of Working and Living Conditions. **Principal investigator:** Joan Benach. **Total costs:** €17,850 [USD 23,000]. **Role:** Co-investigator. **Period:** 2000-2001.

PENDING RESEARCH

UK

1. **Project title:** Work, well-being and health / a life course perspective: The British arm of Academy of Finland consortia 10190 and 10187. **Funding agency:** Economic & Social Research Council (UK). **Principal investigator:** Mika Kivimäki. **Total estimated costs:** GBP 798,386. **Role:** Collaborator. **Period:** 2009-2013.
2. **Project title:** Modelling trajectories of health, disease and functioning in ageing populations. **Funding agency:** Medical Research Council (Methodology Research Programme call.) **Principal investigator:** Jenny Head. **Role:** Collaborator. **Period:** 2009- 2012.

PhD and MASTERS COMMITTEES

At the Universitat Pompeu Fabra, Barcelona, Catalonia (Spain)

- Noemí Prat. MPH, 2005-2009. MIR de Medicina del Trabajo. Promoción 2005-2009. Curso Superior de Medicina del Trabajo. Thesis title: Factores de riesgo psicosociales e incapacidad temporal en trabajadores del Puerto de Barcelona [*Psychosocial work factors and sickness absence among employees of the Port of Barcelona*]. **Role:** Director.
- Comas i Farnés, Jordi. MPH, 2003-2004. Thesis title: Acoso laboral y conductas no éticas en el trabajo: repercusión sobre la salud de la población trabajadora en la Unión Europea [*Workplace harassment and non ethical behaviors: impact of workers' health in the European Union*]. **Role:** Co-director (with Dr. Joan Benach).
- Elorza-Ricart, Josep Maria. MPH, 2001-2002. Thesis title: Diferencias y evolución de los factores psicosociales laborales en España entre 1995 y 2000. [*Differences and evolution of psychosocial work factors in Spain between 1995 and 2000*]. **Role:** Co-director (with Dr. Joan Benach).

OTHER ROLES / ACTIVITIES

- Raising awareness of stress at work in developing countries. Protecting Workers' Health Series No. 6. By Irene Houtman I, Jettinghoff K, Cedillo L. World Health Organization, 2007. Available at: http://www.who.int/entity/occupational_health/publications/raisingawarenessofstress.pdf. **Role:** Collaborator.
- Analyses of European Union data for the report "The effectiveness of safety representatives on occupational health: a European perspective". Coordinators: Menéndez M, Benach J, Vogel L. The European Trade Union Technical Bureau for Health and Safety and the European Trade Union Institute for Research, Education and Health and Safety (ETUI-REHS) (in process). **Role:** Collaborator.
- Research team for the project "Surveys on working conditions and occupational health". Occupational Health Observatory (OSL). Barcelona, Catalonia (Spain), 2007. **Role:** Paid consultant.
- Elaboration of the report "Assessment of psychosocial work risk factors in the Universitat Pompeu Fabra (UPF), 2006". Funded by UPF, Barcelona, Catalonia (Spain), 2006. **Role:** Paid consultant.
- Developing team for the first "Working Conditions Survey of Catalonia", a population based study of working conditions funded by the Employment and Industry Department (Departament de Treball) of the Government of Catalonia (Generalitat de Catalunya), Catalonia (Spain), 2005. **Role:** Paid consultant.
