

**CURRICULUM VITAE**  
Asha Seth Kapadia, Ph.D

**EDUCATION**

Harvard University Cambridge, Massachusetts	Ph.D.	1969	Statistics
Massachusetts Institute of Technology, Cambridge, Mass	S.M.	1965	Industrial Management

**PROFESSIONAL EXPERIENCE**

Professor of Biometry/Biostatistics and Management, Policy and Community Health, School of Public Health, The University of Texas, Health Science Center, Houston, Texas, 1984-

Visiting Professor Delhi University , India, July-Dec 2005

Visiting Professor University of Hyderabad, India Dec 2005

Professor of Preventive Dentistry, Dental Branch, University of Texas Health Science center, 1999-2005

Chair of Faculty, University of Texas, School of Public Health, 1996-1997.

Visiting Professor University of Juarez 1985-1992

Convener, Biometry Discipline, School of Public Health, The University of Texas, Health Science Center, Houston, Texas, 1990-1993.

Convener, Health Services Organization Module, School of Public Health, The University of Texas Health Science Center, Houston, Texas, 1982-1984.

Associate Professor of Biometry (with tenure), School of Public Health, The University of Texas Health Science Center, Houston, Texas, 1976-1984.

Adjunct Associate Professor of Mathematical Sciences, Rice University, Houston, Texas, 1977-1980.

Associate Professor of Quantitative Management Science (with tenure), College of Business Administration, The University of Houston, Houston, Texas, 1975-1976.

Visiting Assistant Professor of Biometry, School of Public Health, The University of Texas Health Science Center, Houston, Texas, 1975-1976.

Assistant Professor of Quantitative Management Science, College of Business Administration, The University of Houston, Houston, Texas, 1971-1975.

Arthur D. Little, Inc., Cambridge, Massachusetts. Member of the professional staff in the Management Sciences Division, 1969-1971.

Teaching Assistant to Professor F.M. Mosteller, Harvard University, Cambridge, Massachusetts, 1966-1968.

## **HONORS**

First in college at both master's and bachelor's level in Delhi University, 1957-1959.

Recipient of Government of India Scholarship for research, 1959-1963.

Sole recipient of Government of India, Overseas Scholarship, 1963.

Harvard University Scholarship, 1966.

Distinguished service award 1988 from the International Institute for Advanced Studies in Systems Research and Cybernetics and Society for Applied Systems Research, Baden-Baden, West Germany.

Outstanding Scholarly Contribution Award 1988 (with Dr. Lemuel Moye) at the 4th International Conference on Systems Research, Informatics and Cybernetics, Baden-Baden, West Germany.

University of Texas Health Science Center Faculty Internship, 1988.

Dean's Teaching Excellence List, 1989

John P. McGovern Outstanding Teacher Award, 1994

Peer Recognition for Outstanding Scholarship, 1994

Elected member International Statistics Institute, 1998  
Who's Who in America 2003,2004,2005,2006

## **PROFESSIONAL ACTIVITIES**

Member: Operations Research Society of America.  
American Statistical Association.

Reviewer: Operations Research, Decision Sciences, Management Science, OP Search, Bulletin of Mathematical Biology, Mathematical Review, Computers and Operations Research, National Science Foundation, National Center for Health Services Research.. National Eye Institute (NIH)

## **CONSULTANT AND COMMITTEES**

Department of Neurology, Baylor college of Medicine, 1999-2002

Department of Anesthesiology, Baylor College of Medicine, 1998-

M. D. Anderson Cancer Center 1993-.

U.S. Army - Health Care Planning Division, 1993.

Harris County Hospital District, 1991-.

Veterans Administration Hospital, Houston, Texas 1990-.2000

Veteran Administration Hospital, San Antonio, Texas 1988-90.

Department of Pulmonary Medicine, University of Texas Medical School at Houston, 1988-89.

Department of Gastroenterology, University of Texas School of Medicine 2004-

U.S. District Court, Houston, Texas, 1988-89.

Visiting Distinguished Professor, School of Engineering and Architecture University of Juarez Mexico, 1986-92.

Department of Anesthesiology, University of Texas Medical School at Houston, Houston, Texas 1985.

Arab Scientific Institute for Research and Transfer of Technology, Jerusalem, Israel, 1985.

Health Services Research and Review Study Section U.S. Department of Health and Human Services, Washington, D.C., 1982-1985.

Texas Institute for Research and Rehabilitation, Baylor College of Medicine, Houston, Texas, 1983-.1999

Veterans Administration Hospital, Little Rock, Arkansas, 1983-84.

Southwest Center for the Study of Hospitals and Health Care Systems, Houston, Texas, 1983-85.

Texas Department of Health, Bureau of Dental and Chronic Disease Prevention, 1983-2000.

University of Houston, Department of Electrical Engineering, 1974-1981.

Texas Attorney General's Office, 1978.

Metropolitan Life Insurance Company, New York, 1969-1971.

Equitable Life Insurance Company, New York, 1970-1971.

Federal Aviation Administration, Washington, D.C., 1969-1971.

Sea Land Corporation, Washington, D.C., 1970-1971.

International Telephone and Telegraph, New York, 1970.

ABT Associates, Cambridge, Mass., 1969.

### **UNIVERSITY AND COMMUNITY SERVICE**

Rai University System ( largest private university system in India) Appointed to Advisory Governing Council 2005-

Harris County Hospital District Foundation, Board of Directors, 2006-  
Planned Parenthood of South Texas, Member Board of Directors, 1998-

University of Texas School of Public Health, Chair Faculty Affairs Committee 1991-1992.

University of Texas School of Public Health Accreditation Self Study: Chairperson 1988-1990.

University of Texas Health Science Center Houston Self Study for Accreditation Financial Resources Committee 1988-1990.

University of Texas, Health Science Center Houston Self Study for Accreditation Faculty Committee 1988-1990.

Member School of Allied Health Services Tenure Committee, 1980-2000.

Chair,Academic Advisory Committee, School of Allied Health, 1997-1998

School of Public Health representative to the University of Texas Health Science Center Interfaculty Council, 1983-1985, 1997-

Member of President Bulger's Task Force on Cost Effectiveness at the University of Texas Health Science Center, 1980-1987.

Member of Health Science Center Buildings and Renovation Committee, 1984.

Biometry and Health Services Organizations representative to School of Public Health Admissions Committee.

Harvard Radcliffe Admissions Committee - duties consist of interviewing and evaluating high school seniors in Houston area who apply for admission to Harvard and Radcliffe, 1975-present.

Massachusetts Institute of Technology - Education Counselor, duties consist of interviewing Memorial High School and High School for Health Professionals seniors who apply for admission to MIT. 1987-present.

Texas Department of Health, Division of Dental Health: Developed with Dr. Forthofer a sampling plan for testing school age children for prevalence of DMFS, 1983-present.

Texas Institute for Research and Rehabilitation - Completed work on "Predicting Course of Treatment in a Rehabilitation Hospital: A Markovian Model," 1983. (with Dr. Vineberg and D.C. Rossi)

U.S. representative of the Working Group on Health Services Research of the European Operations Research Society 1986-.

Operations Research Society and the Institute of Management Science National Meeting in Houston - Arrangements Chairperson, 1982.

American Statistical Society, Annual Meeting in Houston - Chairperson Social Committee, 1980.

### **BOOKS PUBLISHED**

A Study of Air Traffic Control System Capacity by G. Raisback, B. Koopman, S. Lister and **A. Kapadia**. FAA publication, 1970.

Difference Equations with Public Health Applications, by L. Moye and **AS Kapadia**, Marcell Dekker Publishing, New York 2000.

Mathematical Statistics with Applications by **AS Kapadia**, W Chan and LA Moye Chapman and Hall -Marcell Dekker Publishing, New York , April 2005.

### **Publications**

## **COURSES TAUGHT**

Linear Algebra to undergraduates (University of Houston) 1971-74

Basic Calculus to Undergraduates (University of Houston) 1971-74

Advanced Operations Research to MBA Students (University of Houston) 1973

Advanced Statistics (University of Houston) 1971-74

Introduction to Biometry I and II

Stochastic Processes I and II

Compartmental Models

Operations Research

Case Studies in Operations Research

Sampling Techniques for Health Professionals

Intermediate Biometry I, II, and III

Health Services Research (with Drs. Lairson and Lorimor)

Theoretical Concepts in Statistics with Applications in Public Health (with Dr. Moye)

Advanced Linear Programming (invited to teach this course at Rice University, Fall, 1977)

Statistical Theory I and II

Guest lecturer in:     Health Care Technology Assessment  
                          Overview of Environment Health  
                          Research Design  
                          Outcomes Research

Frequently invited by area high school Math Clubs to give a talk on "Queuing Theory" and "Operations Research Applications in Health", 1983-.
