

Curriculum Vitae

Steven H. Kelder, M.P.H., Ph.D.

Office

Michael & Susan Dell Center for Advancement of Healthy Living

(<http://www.sph.uth.tmc.edu/dellhealthyliving/>)

University of Texas School of Public Health

Austin Regional Campus

313 E. 12th Street, Suite 220,

Austin TX, 78701

Office: 512-482-6169

Fax: 512-482-6185

Work e-mail: Steven.H.Kelder@uth.tmc.edu

Personal e-mail: Shkelder@Gmail.com

EDUCATION

Ph.D. in Cardiovascular Behavioral Epidemiology, 1988 – 1992, University of Minnesota, Dissertation Topic: *Youth Cardiovascular Disease Risk and Prevention: The Minnesota Heart Health Project and the Class of 1989 Study.*

Masters of Public Health, 1986 – 1988, Community Health Education, University of Minnesota, Masters Topic: *Development and Pilot Test of the Stay Quit Smoking Cessation Program.*

Bachelor of Science, Major in Marketing; Minor in Economics, Northern Illinois University, 1977 – 1981.

CURRENT POSITIONS

Professor, Division of Epidemiology

Beth Toby Grossman Professor in Spirituality and Healing

Co-Director, Michael & Susan Dell Center for Advancement of Healthy Living

University of Texas School of Public Health, Austin Regional Campus

Primary appointment in Division of Epidemiology

Secondary appointment in Division of Health Promotion/Behavioral Sciences.

FACULTY STATUS at UTSPH

Non Tenure Track 1992-2002

Tenure Track 2002-current

Tenured 2006

FORMER POSITIONS

Pre-Doctoral Fellow, Division of Epidemiology, University of Minnesota, NHLBI Research Training Program, “Behavioral Epidemiology of CVD” 1988–1992

Assistant Professor of Behavioral Science, UTSPH 1992–1996

Associate Professor of Epidemiology, UTSPH, 1997–2006
Convener, Non Tenure-Track Faculty, UTSPH, 1994–1996
Associate Director of Design and Analysis Core, Center for Health Promotion and Prevention Research (CHPPR), UTSPH 1997 to 2004
Convener, Health Promotion/Health Education Module, CHPPR, UTSPH, 1996–1997.
Director of Outreach and Distance Education, UTSPH, 1997–2000
Curriculum Coordinator, Epidemiology Division, UTSPH, 2004 to 2005
Acting Director, CHPPR, UTSPH, 2002.
Director, CHPPR, UTSPH, 2002 to 2006

Research Assistant, Division of Epidemiology, University of Minnesota; 1986–1992

- Data Analyst/Manager: *Minnesota Heart Health Program*
- Data Analyst: *School Smoking Policy Project*
- Data Analyst/Health Educator: *Healthy Worker Project*
- Data Analyst: *Tobacco Access Study*
- Data Collection Supervisor: *Survey of Activity, Fitness and Exercise*
- Alcohol Prevention Curriculum Writer: *Project Northland*

Telephone Interviewer, Division of Epidemiology, University of Minnesota; 1984-1986
Minnesota Heart Health Program

Regional Sales Account Manager, Johnson and Johnson, Ethicon Inc.; 1983-1984
Twin Cities Division, Minneapolis MN

Sales Representative, Xerox Corporation; 1981-1983
Chicago Branch, Chicago IL

MAJOR PROFESSIONAL INTERESTS

- Epidemiology of child and adolescent health: incidence, prevalence, and determinants.
- Design and analysis of epidemiological studies and health promotion interventions.
- Youth interventions: tobacco and alcohol use prevention, nutrition and exercise health promotion, and violence prevention; and
- Conceptual expansion of "health" beyond biological outcomes (disease and death) to include "effective functioning" (functional health), such as cognitive, affective and social functioning, and optimal health.

TEACHING (all at UTSPH)

- PH 2720 Proposal Writing in Epidemiology (2003 - 2008)
- PH 2998 Epidemiology of Child and Adolescent Health (2001, 2003, 2008)
- PH 2610 Introduction to Epidemiology (1997-1999)
- PH 1110 Social and Behavioral Aspects to Health (1999, 2000)
- PH 3240 Public Health Nutrition Practice (1997, 2002- 2005)
- PH 1498 Obesity and Food Behavior (1997)
- PH 7498 Violence Prevention: A Public Health Perspective (1995)
- PH 7490 Advanced Seminar in Health Promotion (1992–1995)
- PH 1120 Evaluation of Public Health Programs (1994)

PROFESSIONAL COMMITTEE MEMBERSHIPS AND ADVISORY BOARDS

- Board Member, Children Optimal Health, 2008- current
- Research chair, Children Optimal Health, 2008- current
- Board Member, Youth Interactive, 2007- current
- Member, St. David Foundation Program Planning Committee, 2007-08.
- Member UTHSC Engine of Innovation, 2007.
- Member, Medical & Scientific Committee for American Heart Association Texas Affiliate, 2004-2008
- Member of Texas Education Agency Coordinated School Health Committee, 2003- 2007.
- Member of Texas Department of Health Taskforce on Obesity, 2003-2007.
- Member of the Behavior Change Expert Panel for the White House Office of National Drug Control Policy's National Youth Anti-Drug Media Campaign, 1998–2004.
- Member of CDC Cardiovascular Disease Advisory Panel, 2002-2004
- Member NCI review panel for evaluation of 5-a-Day program, 2003
- Advisor to the Center for Advanced Study in Behavioral Sciences (regarding adolescent epidemiology), Stanford, 2000–2001.
- Judge for the 1995 Awards for Excellence in Texas School Health, 1995-2000.
- Evaluation consultant for Healthy Families Research Consortium on family child abuse prevention, 1997.
- Expert at Texas State Conference on Prevention and Management of Crisis in Schools, 1996.
- Panelist at National Heart, Lung and Blood Institute Cardiovascular Health Promotion Project (CHPP) workshop on the future of cardiovascular disease prevention for youth, Bethesda RI, 1995.
- Evaluation consultant for Harris County Department of Education and Houston Bar Association “Peer Mediation in the Schools” violence prevention project, 1995.
- Evaluation consultant for Houston Independent School District “Safe Schools” violence prevention project, 1995.
- Evaluation consultant for Houston Bar Association “Mediation in Hospitals” conflict resolution project, 1995.
- Expert on youth peer education for Amigos de las Americas, Houston, TX 1995.
- Expert on smoking prevention strategies for “Smoke Free Generation 2000 project”, sponsored by American Lung Association, American Cancer Association, American Heart Association, Washington DC, 1995.

PROFESSIONAL ORGANIZATION MEMBERSHIPS (past and current)

- American Heart Association
- American Association for Physical Activity, Recreation and Dance
- American Public Health Association
- American School Health Association
- American Dietetic Association
- Society for Behavioral Medicine

- Society for Epidemiologic Research
- Society for Nutrition Education
- Texas Association for Physical Activity, Recreation and Dance
- American College of Epidemiology

GRANT REVIEW PANELS

- German Federal Ministry of Education and Research, Long-term Studies in Health Research, 2007
- National Cancer Institute of Canada, CRBPE site review, 2007.
- Sunflower Foundation (2005)
- National Institute for Mental Health, 2005
- National Cancer Institute: 1997, 1999, 2003, 2004 (2x), 2005 (2x)
- Research Council of Norway, 2004, 2005, 2006
- Centers for Disease Control and Prevention, Atlanta, GA: 1995, 2005.
- Michael Smith Foundation (Canadian), Population Health Research Division, 2004
- Robert Wood Johnson, Active Living Research, 2004, 2005 (2x), 2006, 2007
- Minnesota Partnership for Prevention of Tobacco. Internet Tobacco Cessation Study Section: MN, 2003
- University of California Berkley Tobacco-Related Disease Research Program: 1997, 1998, 2000

MANUSCRIPT REVIEWER (past and present)

- AIDS Care: Psychosocial & Socio-medical Aspects of AIDS/HIV
- American Journal of Public Health
- American Journal of Health Promotion
- American Journal of Preventive Medicine
- Annals of Behavioral Medicine
- Archives of Pediatrics & Adolescent Medicine
- Cancer Epidemiology, Biomarkers & Prevention
- Criminal Justice and Behavior
- CVD Prevention
- Epidemiology
- Health Education Research: Theory and Practice
- Health Education Quarterly
- Health Education

- Journal of Psychosomatic Research
- Medical Science Monitor
- Nicotine and Tobacco Research
- Obesity Research
- Pediatrics

- Prevention Science
- Preventive Medicine
- Social Science Quarterly
- Tobacco Control
- Cancer Epidemiology, Biomarkers & Prevention

GUEST EDITOR FOR JOURNAL SUPPLEMENT

- Preventive Medicine
- American Journal of Health Promotion
- Ethnicity & Disease
- Health Education and Behavior
- Society for Behavioral Medicine quarterly newsletter
- American Journal of Preventive Medicine

CONFERENCE ABSTRACT REVIEWER

- Society for Research on Nicotine and Tobacco: 1998

FELLOWSHIPS, HONORS & INTERNATIONAL RECOGNITION

- **Invited Speaker**, National State Board of Education, A Model for Obesity Prevention, Washington DC, 2009.
- **Invited Speaker**, Capra Lectureship, Obesity Prevention in Texas, Dallas TX, 2009.
- **Invited speaker**, McGill Health Challenge Think Tank, Youth Obesity Prevention, Montreal, 2008.
- **Invited speaker**, Robert Wood Johnson, Physical Activity and academic achievement, 2008.
- **Invited speaker**, Society for Prevention Research, Dissemination of evidence-based health interventions, Denver, 2008.
- **Invited speaker**, Kelsey-Seybold 8th annual Health Services & Outcomes Research Conference Childhood Obesity in Texas: Size of the Problem and Solutions, fall 2007.
- **Committee member**, Health Challenge Think Tank, International Steering and Action Committee, 2007.
- **Invited speaker**, Texas Heart Disease and Stroke Prevention System 2007 Fall Partnership Meeting, Austin, 2007.
- **Invited panelist**, Lifting Teen Families: Strengthening Programs for Pregnant and Parenting Teens, Austin, TX, 2007.
- **Invited speaker**, National Conference of State Legislators: The National Forum for Ideas. *Up and Running - Texas Physical Activity Legislation and Its Effects*, Boston MA (2007).
- **Invited speaker**, Southern Obesity Summit. *Child and Youth Models*. Little Rock AK (2007).
- **Invited speaker**, UNC/CDC Public Health Grand Rounds, *Healthy People in Every Stage of Life, Coordinated Approach to Child Health: From Research to Practice*. Atlanta GA, (2007). [<http://www.publichealthgrandrounds.unc.edu/catch/index.htm>].
- **Invited speaker**, *Obesity Trends in Children and Youth – Solutions?* Texas Chapter of the American College of Sports Medicine, Dallas TX, (2007).

- **Invited speaker**, Knowledge Transfer Workshop, Obesity Prevention: Panel of Leaders. McGill Health Challenge Think Tank, McGill University, Montreal, Qc (2007).
- **Invited speaker**, Legislative briefing on “The Texas Obesity Policy Portfolio: Evidence-Based Directions for Obesity Prevention and Control” (2007).
- **Invited speaker and recipient** of Secretaries Innovation in Prevention Award at the National Prevention Summit: Prevention, Preparedness and Promotion (2006).
- **Invited speaker**, Council of State Governments (CSG) at the Health Policy Forum for State Legislators and State Policymakers: Policies to Promote Healthy Lifestyles: Childhood and Beyond (2006).
- **Invited speaker** for UT Chancellors Luncheon (2006).
- **Invited interview** on Discovery Health Channel documentary on child obesity (2005).
- **Invited interview** on ABC national health news (2005).
- **BioTexas Summit, Texas Healthcare and Bioscience Institute**. Invited guest panelist: Best Practices and Exemplars of Collaborative Health Research (2005).
- **UTHSC President’s Executive Luncheon**. Invited lunch speaker “Healthy Habits for the Next Generation” (2005).
- **Institute of Medicine**. Invited guest panelist to determine evidence based obesity prevention recommendations (2005).
- **The Coordinated Approach to Child Health** directed by Dr. Kelder, is an elementary school health education program has been implemented in 20 US states and 15 countries.
- **Research Fellow**, Centers for Disease Control and Prevention Foundation. (1997-2004). Dr. Kelder was lead author for CDC to develop the School Health Index, a school based nutrition, physical activity, tobacco, injury and violence program implementation assessment tool. Over US 30 states, 5 countries, and thousands of schools have implemented this self-assessment tool.
- **Invited speaker, Copenhagen**: Effective healthy eating and physical activity school health program. Invited keynote speaker, Nordic Conference on Cancer and Health. Copenhagen, November, 2004.
- **Invited speaker, Chihuahua**: Physical activity and children. Invited keynote speaker at 2nd Congreso Internacional de “Actividad Fisica Y Docencia” Chihuahua, Mexico:
- **Invited speaker, Oslo**: Changing Adolescent Food Habits: Developing, Evaluating and Disseminating Effective Nutrition Education Programs. Invited speaker at the First Research Seminar on Adolescent Nutrition and Health: Interventions that Work. The Institute for Nutrition Research, University of Oslo, August 27, 2002.
- **Invited speaker, Chihuahua**: Dissemination of CATCH in Texas elementary schools. Invited speaker at 44th Actividad Fisica Education y Salud. Chihuahua, Mexico: April, 2001.
- **Invited proposal review, Canada**: Michael Smith Foundation for Health Research (Canada based Foundation), 2003.
- **Invited proposal review, Norway**: Research Council of Norway, 2004.
- **Excellence in Scholarship Award** at the University of Texas Health Science Center at Houston, 1994-2004. For excellence in scholarship, including research and/or community service activities.
- **Outstanding contributions**: Texas Association for Health, Physical Education, Recreation and Dance, for outstanding contributions to the state association and leadership. December, 2000.

- **Grand Marshall**, University of Texas Health Science Center at Houston, School of Public Health Spring 1997 Graduation. Elected honor by the graduating 1997 class.
- **Special recognition** Citation Poster and Citation Paper at The Society for Behavioral Medicine, Annual Meeting in New York, 1992, 1993.
- **Pre-Doctoral Fellow**, National Heart Lung and Blood Institute Research Training Program; The Behavioral Aspects of Cardiovascular Disease, 1988-1992.
- **Leonard M. Schuman**, Excellence in Public Health Award, 1990. For outstanding contributions as a graduate student in Public Health at the University of Minnesota.

INSTITUTIONAL ACTIVITY UTSPH

- **Member**, SPH Faculty Council (2007-present)
- **Member**, Division of Epidemiology Leadership Council (2007-present)
- **Director**, CHPPR (2002-present)
- **Member**, UTHSC, Conflict of interest committee (2005- present)
- **Acting Director**, CHPPR (2002)
- **Associate Director** of Design and Analysis, CHPPR (1997-2003)
- **Chair**, Biometry faculty search committee, Health Promotion emphasis (2004-2005)
- **Member**, Biometry faculty search committee (2004-2005)
- **Member**, Brownsville Health Promotion Division faculty search committee (2004)
- **Member**, UTHSC Conflict of interest committee (2004-2005)
- **Member**, Epidemiology faculty search committee (2000-2004)
- **Director** of Outreach Education (1997-2000)
- **Convener**, Health Promotion/Health Education Module (1996-1997)
- **Chair**, Behavioral Science faculty search for quantitative methodologist (2002)
- **Member**, UT-H SACS- Technology and Content Team (1997-2000)
- **Member**, UT-H Learning and Technology Team (1997-2000)
- **Member**, UT-H Information and Technology Strategic Group (1997-2000)
- **Member**, SPH Distance Education Task Force (1997-2000)
- **Member**, Behavioral Science faculty search committee for qualitative methods (1997)
- **Member**, School of Public Health Faculty Policy Committee (1996-1997)
- **Member**, School of Public Health Faculty Affairs committee (1996-2000)
- **Member**, Dallas faculty search committee (1996-1997)
- **Convener**, Non Tenure-Track Faculty (1994-1997)
- **Member**, CDC Prevention Research Center (Currently TPRC, 1992 – Present)

Predicting adolescent smoking initiation: Evidence for a single model that combines the stages of change and susceptibility to smoking constructs. Paper presented to the annual meeting of the Society for Nicotine Replacement Therapy. San Diego, California: 1999.
77. Prokhorov A, de Moor C, Hu S, Gritz G, Hudmon K, **Kelder SH**. Stages of change and cognitive susceptibility as predictors of smoking onset. Paper presented at the annual meeting of the American Society of Preventive Oncology. 1999.

FUNDED RESEARCH (Current)

1. **Principal Investigator**, CATCH Middle School. Michael and Susan Dell Center for Advancement of Healthy Living. Michael and Susan Dell Foundation. \$2,816,000 direct costs. 12/08-11/12.
2. **Principal Investigator**. *The South Texas Parent Diabetes Prevention Trial (STPDPT)*. . PI Overall grant: Joe McCormick. \$6,000,000 overall direct; Direct costs for STDPT: \$844,890. 2/08-1/13
3. **Principal Investigator**, *Evaluation of Marathon Kids*, Michael and Susan Dell Foundation. \$200,000 direct costs. 12/30/07-7/29/09
4. **Co- Investigator**, Community Outreach Core of the *Clinical and Translational Science Awards* (Center for Clinical and Translational Science (CCTS-CTSA) (1U54RR023417-01). PI Overall grant: Frank Arnett. \$36,000,000 overall; \$750,000 for core. 9/30/06-9/29/11.
5. **Co-Principal Investigator**, Michael and Susan Dell Center for Advancement of Healthy Living. Michael and Susan Dell Foundation. PI: Guy Parcel. \$2,000,000 direct costs. 9/30/06-9/29/10.
6. **Co-Principal Investigator**, Prevention of Child Obesity: Disseminating the CATCH Physical Activity and Healthy Eating Program in Travis County Elementary Schools. Michael and Susan Dell Foundation. PI: Guy Parcel. \$2,600,000 direct costs. 9/30/06-9/29/10.
7. **Lead grant writer**, A Joint Proposal for Development of Research and Education Programs in Nursing and Public Health. The UT Austin School of Nursing (SON) and UT Houston School of Public Health (SPH) request LERR funds to support the modifications to the SON building to facilitate joint health related social and behavioral research and education programs in Nursing and Public Health. UT System, LEER, \$3,700,000. Estimated construction completion: 2009.
8. **Co-Principal Investigator**. *SIP 11-2005 Adapting a Cardiovascular Health Promotion School-Based Nutrition Intervention for Obesity Prevention and Control – CATCH Nutrition Plus*. The objective of this project is to adapt, revise and augment the CATCH curriculum to update the nutrition messages to reflect current research and expert opinion on obesity prevention strategies among children. Centers for Disease Control and Prevention. Direct costs:\$429,164. 9/30/05-9/29/08.
9. **Co-Principal Investigator**. SIP 15-2005 Development of a “Ready to Use” Plan to Evaluate Readily or Commercially Available Nutrition and Physical Activity Programs in New School Settings.The objective of this project is to develop a user-friendly module of evaluation instruments, protocols, and procedures that could be implemented by individual schools to determine the impact effects and process evaluation of the CATCH Program. Centers for Disease Control and Prevention. Direct costs: \$319,284. 9/30/05-9/29/08.
10. **Principal Investigator**. SIP 18-2005 Intervention Component to Reduce Television Viewing for Incorporation into an Evidence-Based Multi-Component School-Based Nutrition and Physical Activity Intervention. The proposed study aims to develop and evaluate a new component to CATCH that will instruct families and children to reduce TV

viewing and electronic entertainment use. Centers for Disease Control and Prevention. Direct costs: \$446,382. 9/30/05-9/29/08.

11. **Principal Investigator.** *Diffusion of CATCH in Harris County.* To implement the CATCH elementary school health program in all 440 Harris County elementary schools over a two year period. Harris County Department of Education: \$450,000; HCDOE funded by a \$2.4 million grant by the Houston Endowment. 9/30/05-9/29/08
12. **Principal Investigator.** *National CATCH Training.* To train school in the implementation of CATCH nationwide. Flaghouse, Inc: Direct costs: \$250,000 per year, 9/05, indefinitely.

FUNDED RESEARCH (Completed)

13. **Co- Investigator.** *School Physical Activity and Nutrition (SPAN) Survey, Phase III.* Surveillance of body mass index (BMI) of school children in the 4th, 8th and 11th grades in Texas. PI: Deanna Hoelscher, PhD, Texas Department of State Health Services Division of Public Health Nutrition. 15 Sept 2004–31 Aug 2005, Direct costs: \$418,901.
14. **Co-Principal Investigator,** *Assessment of Relationship between Physical Activity and Academic Achievement:* To quantify relationship between PA and achievement using ecologic and experimental designs. PI: Nancy Murray, Centers for Disease Control and Prevention: \$900,000.
15. **Principal Investigator,** *The Impact of Senate Bill 19 on Elementary School Children's Level of Physical Activity.* To assess the effects to Texas legislation on school aged children, school programs and policies. Robert Wood Johnson Foundation. Overall grant \$450,000 for 3 years.
16. **Principal Investigator.** *CVD Core of the Hispanic Health Research Center in the Lower Rio Grande Valley:* Submitted to NIH Center for Minority Health Disparities. I prepared the Cardiovascular Disease Core activities for the larger P20 center grant. The objective for the CVD Core is to develop expertise in South Texas for youth CVD and obesity prevention. We intend to do so by exporting currently funded child and adolescent health projects of faculty from the Houston School of Public Health into the South Texas area and Brownsville a regional SPH campus. \$750,000 total costs were allocated to the CVD core portion of the grant. Overall grant \$7,500,000 for 5 years. Feb 2000 –Jan 2008
17. **Co-Principal Investigator,** *Healthy Passages: A Cohort Study of Adolescent Health:* Examine developmental pathways of health risk and protective behaviors and health outcomes in a combined cohort across three sites of African-American, Hispanic, and Caucasian youth. PI: Guy S. Parcel, PhD, UT HSC Houston. Also, chair of Design and Analysis Committee for the study. Centers for Disease Control and Prevention: 30 Sept 1999–29 Sept 2006: \$4,000,000.
18. **Principal Investigator,** *Diffusion of the Child and Adolescent Trial for Cardiovascular Health (CATCH):* continue dissemination of CATCH across Texas elementary schools (demonstration project). Texas Department of Health: Oct 2000–Aug 2005: \$350,000/yr.
19. **Principal Investigator** of subcontract. *Smoking Cessation via Physical Feedback:* quasi experimental design to test effects of spirometry and internet intervention in

Junior College students. National Cancer Institute, Oct 2004–Sept 2007, subcontract, \$18,000/yr.

20. **Co-Investigator**. *School Physical Activity and Nutrition (SPAN) Survey, Phase III*. Surveillance of body mass index (BMI) of school children in the 4th, 8th and 11th grades in Texas. PI: Deanna Hoelscher, PhD, Texas Department of Health Innovations Grants 15 Sept 2004–31 Aug 2005, \$350,000.
21. **Principal Investigator**, *Diffusion of the Child and Adolescent Trial for Cardiovascular Health (CATCH)*: continue dissemination of CATCH across Texas elementary schools (demonstration project). Funding part of the Texas Regional Prevention Center. Centers for Disease Control and Prevention: Oct 1998–Aug 2004: @\$80,000/yr.
22. **Co-Principal Investigator**, *Effective Coordinated School Health Programs*: Conceptualize, develop, and conduct curriculum modules and training protocols for secondary education on the CDC model of coordinated school health. PI: Nancy G. Murray, DrPH. Centers for Disease Control and Prevention: 30 Sept 1999–29 Sept 2004: \$74,558/yr
23. **Principal Investigator, subcontract**, *Teen Smoking Prevention and Cessation Via CD-ROM*: design, develop, and evaluate the effects of a school-based interactive CD-ROM smoking prevention and cessation intervention. National Cancer Institute: July 2000–July 2004: \$707,295 UT-H SPH subcontract (total project \$1,905,793; PI: Alex Prokhorov, MD, PhD, M.D. Anderson)
24. **Co-Investigator**, *IMPACT: A study to develop and evaluate a school-based nutrition and physical activity program to enhance bone health in adolescent girls*. PI: Deanna Hoelscher, Rd PhD. National Institute of Child Health and Human Diseases: 1 Sept 1999–31 July 2003: \$1,763,626
25. **Co-Principal Investigator**, *The Relation of Diet to Serum Homocysteine Levels*: Examine the relation of diet to serum homocysteine in an ethnically and geographically diverse cohort of adolescents who previously participated in the CATCH study. PI: Deanna Hoelscher, PhD, UT HSC Houston. National Heart, Lung and Blood Institute: 15 Sept 2000–31 Dec 2002: \$440,816/yr
26. **Co-Investigator**. *School Physical Activity and Nutrition (SPAN) Survey, Phase II*. A study to develop a surveillance system to monitor secular trends in body mass index (BMI) of school children in the 4th, 8th and 11th grades within ethnic and geographic subpopulations in Texas. PI: Deanna Hoelscher, PhD, Texas Department of Health Innovations Grants 15 Sept 2000–31 Aug 2001, \$450,000/yr
27. **Co-Principal Investigator**, *Texas Partnership on Tobacco Surveillance & Evaluation*: Trace and promote implementation of the various tobacco control interventions under an umbrella research plan built on the best practices from CDC and other states. PI: Nell H. Gottlieb, PhD, UT Austin. Centers for Disease Control and Prevention: 30 Sept 1999–29 Sept 2002: \$56,429/yr
28. **Co-Principal Investigator**, *Prevention Centers Tobacco Network*: To allow organization and ongoing linkage of expertise on tobacco control research among representatives of the Texas Prevention Research Center. PI: Nell H. Gottlieb, PhD, UT Austin. Centers for Disease Control and Prevention: 30 Sept 1999–29 Sept 2002: \$6,689/yr

29. **Principal Investigator**, *From 3-6 p.m.: Unexplored Opportunities for Elementary School Health Promotion in the After-School Daycare Setting* (2 of 2: El Paso): develop and evaluate an after-school physical education program modeled after the CATCH project, with pilot testing in El Paso, Texas. Paso del Norte Health Foundation (El Paso): May 1999–April 2000: \$120,063
30. **Principal Investigator**, *From 3-6 p.m.: Unexplored Opportunities for Elementary School Health Promotion in the After-School Daycare Setting* (1 of 2: Austin): develop and evaluate an after-school physical education program modeled after the CATCH project, with pilot testing in Austin. International Life Sciences Institute Foundation: July 1999–Jan 2001: \$164,742
31. **Co-Investigator**, *Parent Assisted Smoking Cessation*: develop and pilot test interventions, aimed to parents, for teenage smoking cessation. PI: Nancy G. Murray, DrPH, UT HSC Houston. National Cancer Institute: Oct 1999–Sept 2001: \$146,713
32. **Co-Principal Investigator**, *CATCH: A Study of Institutionalization - Texas Field Center*: determine factors related to adoption, implementation, and institutionalization of the CATCH school-based cardiovascular disease prevention program. PI: Deanna Hoelscher, PhD, UT HSC Houston. National Heart Lung and Blood Institute: 1998–2000: \$609,000
33. **Principal Investigator**, *The Effect of Policy on Youth Tobacco Use*: use qualitative methods to understand how school and community policies affect youth smoking. Centers for Disease Control: 1997-1998: \$40,000
34. **Principal Investigator**, *Recruitment of Youth into Tobacco Cessation Programs*: develop stage-based recruitment strategies for youth tobacco cessation programs based on the Transtheoretical Model. Centers for Disease Control: 1997–1998: \$98,000
35. **Principal Investigator**, *The Diffusion of The Child and Adolescent Trial for Cardiovascular Program (CATCH) in Texas*: measure the broad diffusion of CATCH, an elementary-school CVD prevention program, in Texas. Centers for Disease Control, 1997–1998, \$38,000
36. **Co-Principal Investigator**, *Students and Parents, or Peace and Harmony*: Develop and evaluate a school-based violence prevention project. PI: Alfred McAlister, PhD, UT HSC Houston. Carnegie Corporation: 1996–1998: \$150,000
37. **Co-Principal Investigator**, *Mass Media and Adolescent Smoking*: use qualitative methods to determine the impact of advertising on youth smoking and to develop counter-advertising strategies. PI: Laura McCormick, PhD. Centers for Disease Control: 1996–1997: \$75,000
38. **Principal Investigator** (Texas site), *The Child and Adolescent Trial for Cardiovascular Health, Phase 3 - Tracking Study*: four-year continuation project: determine the longevity of effects through 8th grade of the original 3rd–5th grade intervention. National Heart Lung and Blood Institute: 1995-1997: \$8,000,000
39. **Co-Investigator**: *School-based Nutrition Monitoring*: develop a national youth nutrition surveillance system. PI: Deanna Hoelscher, PhD, UT HSC Houston. Centers for Disease Control and Prevention: 1994–1997: \$300,000

40. **Principal Investigator**, *Gender and Ethnic Differences in Adolescent Smoking* using qualitative methods, determine the cultural and intrapersonal forces that inhibit smoking in African American youth and promote smoking in White and Hispanic youth. Centers for Disease Control: 1995–1996: \$75,000
41. **Principal Investigator**, *Students for Peace Project*: develop and evaluate the effects of a school-based violence prevention project. Centers for Disease Control and Prevention: 1993–1996: \$900,000
42. **Principal Investigator**, *The Students for Health Year 2000 Project*: Demonstration project to determine the feasibility of implementing a K-12 comprehensive school health education program. Centers for Disease Control and Prevention (through the Southwest Regional Prevention Center): 1988–1995: \$500,000
43. **Co-Principal Investigator** (Texas site), *The Child and Adolescent Trial for Cardiovascular Health, Phase 2*: seven-year, multi-center trial of a school-based cardiovascular disease prevention project. PI: Guy S. Parcel, PhD, UT HSC Houston. National Heart, Lung and Blood Institute: 1987–1995: \$21,000,000
44. **Principal Investigator**: *Tri-Ethnic Variations in Adolescent Smoking*:. A secondary analysis of ethnic adolescent smoking. Centers for Disease Control and Prevention (through the Southwest Regional Prevention Center): 1993–1994: \$10,000.

PENDING RESEARCH

Kelder SH (PI), **Springer AE (Co-PI)** Hoelscher DM (Co-I). *CATCH Middle School*. Michael & Susan Dell Foundation. (\$3.3 million for 4-year period). Submitted October 2008.

STUDENTS - COMPLETED

MPH, Health Promotion

- **Vibhawari, Tare** - Advisor
- **Wilgis, Margaret J**- Advisor, A Systematic Review of Recent Research on the Relationship Between Adolescent Religiosity/Spirituality and Adolescent Aggressive/Violent Behavior, 2007
- **Stephanie Wuelling** – Member, A Systematic Review of Intervention Designed to Reduce Screen Time in Children and Adolescents., 2008.
- **Koers, Erin** – Member, Social and Cultural Determinants of Immigration health in the Context of a Developing Country. 2005
- **Agurcia-Parker, Carolyn A** - Advisor
- **Banikarim, Chantay L** – Advisor. Dysmenorrhea : its prevalence and impact on adolescent Hispanic females; 2000.
- **Brenner, Joel S** – Advisor. Testicular self-examination : education and practices in pediatric residents; 2001
- **Brooks Lisa** – Member. Employee perceptions of the worksite health climate at a large company; 1995
- **Caudill, Denise** – Member. The door of the tomb is open : participatory action research to assess the impact of strengthened community capacity on maternal health care in rural Mali; 1997.
- **Chafetz Ross** - Member
- **Conroy, Jennifer L** – Advisor. Quantitative assessment of attention paid to role models, demonstrated in one conflict resolution education program; 1996
- **Fourney, Andrew M** – Advisor
- **Gross, Melanie K** – Advisor. Quantitative assessment of attention paid to role models, demonstrated in one conflict resolution education program; 1996
- **Guerrero de Lefort, Tatiana** – Advisor. A qualitative evaluation of the dietary supplement AMA-NENE provided through the services of the program Salva a un Niño in the state of Queretaro, Mexico; 2002
- **Hatcher, Tiffni Ember** – Advisor. CATCH diabetes project : a formative evaluation of a diabetes prevention curriculum targeted at fourth grade elementary school children; 2002
- **McReynolds, Larkin S** – Advisor. A qualitative evaluation of a violence prevention newsletter among aggressive and non-aggressive Hispanic middle school students; 1996
- **Meza Fausto** – Advisor
- **Odem Sylvia** – Advisor. The role of acculturation in smoking and alcohol use among Mexican American women; 1994
- **Ordway, Nichole** – Advisor. A cross-sectional study of the correlation between depression and adolescent smoking initiation and cessation; 2000
- **O’Riley, Kelly** – Member. Physical activity counseling behaviors of primary care physicians; 2004
- **Palos Lupe** – Member
- **Sadlier, Sandra** – Advisor
- **Smith (now Sinicrope), Pam** – Member
- **Poston, Carlos W**- Advisor. Genetic and psychosocial risk factors for hypertension among African Americans and first-generation West-African immigrants; 1999
- **Pruitt, Sandi L** – Advisor. Contraception or abortion : inaccurate descriptions of emergency contraception in newspaper articles, 1992-2002; 2003
- **Simon, Patti Gail** – Advisor. Human papilloma virus : measuring knowledge, understanding behavior, and designing meaningful interventions for college students; 2002
- **Slover, Barbara Nicole** – Advisor. The relationship between smoking and depression in a high school aged population; 1999
- **Sounder, Esther** – Member

- **Su-I-Hou** – Advisor. HIV risk behavior among White and Asian/Pacific Islander high school students in the United States : does culture make a difference?; 1995
- **Sui Wen** -Advisor
- **Ugalde Margie** – Member
- **St. John Edith**– Member
- **Rodriquez, Liliana** – Advisor. - Evaluation of a new method to measure fecal lactoferrin, a marker for inflammatory diarrhea; 2001
- **West, Stormie Mae** – Advisor. An evaluation of the impact of inner city development's cooperative home school : an educational alternative program to increase the quality and level of education in San Antonio's west side community; 2001

DrPH, Health Promotion

- **Luis Velez**, Member, Tobacco Control Policy Advocacy Attitudes and Self-Efficacy Among Ethnically Diverse High School Students, 2006.
- **Chalela, Dora Patricia** – Member, Predictors of Smoking Experimentation among Hispanic Youth in a Texas Border Community
- **Sinicrope, Pamela K** – Member, Development and Preliminary Validation of the Cancer Family Impact Scale in Unaffected At-Risk Family Members Who Have at Least One First Degree Relative with Colorectal Cancer, 2006.
- **Barroso, Cristina S.** – Member. Adiposity and the perilipin gene : the role of single locus and multilocus variation, obesity-related quantitative traits, and disease-related phenotypes in the atherosclerosis risk in communities (ARIC) study; 2005.
- **Beach Bettina** – Member. Patient satisfaction and nursing staff work satisfaction in an urban public teaching hospital; 2005
- **Billip, Susan** – Member
- **Conroy, Jennifer L** – Advisor. CATCH across Texas : building a model for the diffusion of effective school-based health promotion programs; 2005 Dissertation Supervisor – Steve Kelder

- **Eason, Karen E** – Member. Measurement and correlates of physical activity behavior among older minority women; 2000; Dissertation Supervisor – Louis Masse
- **Escobar-Chaves, Soledad Liliana**– Member. The impact of media on violent and sexual risk-taking behavior among alternative high school students; 2002
- **Ford Kentya** – Member
- **Fourney, Andrew M** – Advisor. Adherence to HIV/AIDS therapies among low-literacy populations : the ALP project; 1999; Dissertation Supervisor - Steve Kelder and Lori Leonard
- **Gallegos, Virginia** – Member
- **Goode Jeannette** – Member
- **Hester, Lynn** – Member. Determining acquisition and cessation antecedents to adolescent cigarette smoking for development of intervention strategies; 2004; Dissertation Supervisor – Steve Kelder
- **Hassen, Sohela Sabur** – Member Relationship between substance abuse and family and social functioning among cocaine and opiate users in comparison to nicotine and benzodiazapine using group in Houston, Texas; 2003; Dissertation Supervisor Michael Ross
- **Hendricks, Regina** – Member
- **Landrum Kym** – Member
- **Marvy Doug** - Member
- **Murray, Nancy** – Advisor. Design and evaluation of the parent education component of a comprehensive violence prevention project in middle schools; 1996; Dissertation Supervisor – Steve Kelder
- **Padgett Diana**– Advisor. Cigarette smoking and Ecuadorian adolescents : a cross-sectional survey and policy review; 1996; Dissertation Supervisor – Beatrice Selwyn

- **Peters, Ron** - Member
- **Orpinas Pamela** – Member Skills training and social influences for violence prevention in middle schools : a curriculum evaluation; 1993; Dissertation Supervisor – Guy Parcel
- **Scott Deborah** – Member
- **Shaohua Hu** – Member
- **Shiple, Shanna** – Member
- **Springer Andrew**– Member. Social capital and adolescent health risk behavior in El Salvador; 2000; Dissertation Supervisor - Social capital and adolescent health risk behavior in El Salvador
- **Timpson Sandra** – Member Behavioral and psychosocial factors associated with sexual risk in a population of crack cocaine users; 1999; Dissertation Supervisor – Michael Ross
- **Trip Mary** – Member
- **Weller, Nancy** –Advisor. The impact of school year work on adolescent development; 1997; Dissertation Supervisor – Steve Kelder
- **Zeibt Annete**– Member

MS, Epidemiology

- **Jessica Kan**, Differences in Interuterine Growth Restriction and Preterm Birth Among Asian Subgroups in Relation to nativity Status, 2008.
- **Kevin Hwang** – Advisor, Community Referral for Promoting Physical Activity Among Primary Care Patients, 2008
- **Richardson, Jennifer**, Advisor, Physical Activity, Media Use, and Weight Statuts in 6th Grade Girls: A Cross-Sectional Analysis, 2005.
- **Roseman, Suzanne J** – Advisor. Leisure time, physical activity among senior high school students; 2004
- **Sprehe, Michael** – Member, A Case-Control Study to Evaluate Birth Weight, Gestational Age, and Ethnicity as Risk factors for Cancer in Children, 2005.
- **Baum, George** - Member
- **Li, Yunquan** – Advisor. Poor glycemc control in type 2 diabetic patients; 2001

PhD, Epidemiology

- **Hardy, Dale Sharon** – Advisor, Glycemic Index and Cardiovascular disease, 2008
- **Shaun Galloway**- Member, The association between maternal use of contraceptives or progesterone and major structural birth defects, 2008.
- **Tonatiuh Barrientos** – Member, Environmental Tobacco Smoke Exposure in Restaurants and Bars in Mexico, 2007
- **Cunningham, Sue Etta** – Advisor, Maternal Nutrition and Oral Health Factros in Early Childhood Caries, 2007.
- **Jones, Aditi** - - Advisor, Increasing Bone Health Through Physical Activity in Adolescent Girls. Intervention effects of the incorporating more Physical Activity and Calcium in Teems (Impact) study, 2006.
- **Sharma, Shreela V** – Advisor Psychosocial and Environmental Predictors of Calcium Intake, Physical Activity and Bone Health Among Adolescent Girls, 2005
- **Simpson, Lara M** – Advisor, Effectivenss of Statin Drugs in Prevention of Early Heart Disease.
- **Shanna Shipley** – Advisor, Sociodemographic Characteristics as Predictors of Successful Smoking Cessation Among a Group of Hispanic Spanish Speaking Smokers.. 2005.
- **Amy Spellman** – Member, Predictors of Susceptibility to Smoking and Experimentation Among Mexican-American Adolescents, 2007
- **Jessic Tullar** – Member, An Epidemiological Evaluation of a Worksite Based Intervention: Outcomes and Psychometrics

- **Fleschler, Melissa Anne** – Member. Bullying and victimization among students attending a large urban school district in Houston, Texas : prevalence, internalizing disorders, and parental social support; 2004; Dissertation Advisor – Susan Tortolero
- **Liu, Liqun** - Member
- **Suleman, Habiba** – Member A study of the relationship between self-reported, accelerometry-determined assessment of physical activity and caloric intake and body mass index in adolescent girls aged 14 to 17 years; 2003; Dissertation Advisor – Michael H. Smolensky

STUDENTS – IN PROGRESS

MPH, Austin

- Duncan van Dusen - Member
- Melissa Creamer – Advisor
- Sarah Calkins, Member
- John Reilly, Member

MPH, Health Promotion

- Davis, Laura Kathryn- Advisor
- Holmes, Sonia- Advisor

DrPH, Health Promotion

- Agurcia-Parker, Carolyn A - Advisor
- Kelli Drenner – Advisor
- Eman Amari, Member

MS, Epidemiology

- Ferreiro, Mariana – Advisor
- Krishnaveni Cheethirala, Advisor
- Yashoo Yadov, Advisor

PhD, Epidemiology

- Hou Duong – Member
- Leah Fischer - Member
