

RONALD J. PETERS Jr., DrPH

Center for Health Promotion and Prevention Research
School of Public Health
University of Texas Health Science Center at Houston
7000 Fannin Street, Suite 2618
Houston, TX 77030

Office: (713) 500-9642
Facsimile: (713) 500-9602
E-mail: Ronald.J.Peters@uth.tmc.edu

EDUCATION

University of Texas Health Science Center

Doctor of Public Health, May 1998

Major: Health Promotion Research and Development

Dissertation Topic: *Project Alpha: A Culturally Appropriate Approach to Adolescent Male Sex Education*

Medical College of Virginia

Master of Science, May 1993

Major: Gerontology

Virginia Commonwealth University

Bachelor of Science, May 1991

Major: Health Administration

PROFESSIONAL EXPERIENCE

Associate Professor. The University of Texas Health Science Center at Houston, School of Public Health, Department of Behavioral Sciences; 2008-Present, Houston, Texas.

Adjunct Professor. Texas Southern University, College of Pharmacy and Health Sciences; 2008-Present, Houston Texas.

Assistant Professor. The University of Texas Health Science Center at Houston, School of Public Health, Department of Behavioral Sciences; 2001-2008, Houston, Texas.

Adjunct Assistant Professor. Prairie View A&M University, Health and Human Performance; 1999–2007, Prairie View, Texas.

Faculty Associate. The University of Texas Health Science Center at Houston, School of Public Health, Center for Health Promotion Research and Development; 2000-2001, Houston, Texas.

Adjunct Assistant Professor. Houston Baptist University, College of Nursing, Department of Health Administration; 2000-2002, Houston, Texas.

Assistant Professor. Texas Southern University, College of Pharmacy and Health Sciences; 1998-1999, Houston Texas.

Lecturer. University of Houston, College of Education, Department of Health and Human Performance; 1998-1999, Houston, Texas.

Adjunct Professor. Texas Southern University, College of Pharmacy and Health Sciences; 1995-1997 Houston Texas.

Research Fellow. The University of Texas Health Science Center at Houston, School of Public Health, Center for Health Promotion Research and Development; 1999-2000. Houston, Texas.

Curriculum Vitae- Ronald J. Peters, Jr.

Research Associate. Southwest Prevention Center, The University of Texas; 1993-1998, Houston.

Project Director: Linkage with Historically Black Colleges to Improve Capacity for Applied Prevention Research Project.

Project Manager: Promoting Peace Project

Health Educator/ School Coordinator: Students for Peace Project

Teenage STD/HIV Prevention Curriculum Writer: Project Alpha

Resource Specialist II. Greater Houston Area Chapter, American Red Cross; 1994-1995, Houston Texas. Juvenile Probation Program

Data Collector. Criminal Justice Research Center, Virginia Department of Criminal Justice Services; 1992-1993, Richmond Virginia.

Research Assistant. Geriatric Education Center, Medical College of Virginia; 1992-1993, Richmond Virginia. Geriatric Resource Directory Project

Administrative Intern. Jewish Home and Hospital for the Aged; 1990, Bronx New York.

Graduate Public Health Intern. Office of Minority Health, Richmond City Health Department; 1992-1993, Richmond Virginia. City-wide health care needs assessment project

TEACHING

1. PH 2998 Seminar in Child and Adolescent Health (2008). University of Texas Health Science Center, School of Public Health (Houston Based Instructor-Graduate Level).
2. PH 1112 Health Promotion Theory and Methods II (2006, 2008). University of Texas Health Science Center, School of Public Health (Houston Based Instructor-Graduate Level).
3. HSHA 611 Managing Medical Care Organizations: Basic Approaches to Multicultural Competencies (2008). Texas Southern University, College of Pharmacy and Health Sciences (Lead Instructor-Graduate Level).
4. PH 9992 Practicum (2002, 2003, 2006, 2008). University of Texas Health Science Center, School of Public Health.
5. HADM 4015 Quantitative Methods (2001). Houston Baptist University, College of Nursing, Center for Health Studies (Lead Instructor-Graduate Level).
6. HLTH 5041 Nutrition and the Environment (2000, 2003, 2004, 2006). Prairie View A&M University College of Education, Department of Health and Human Performance (Lead Instructor-Graduate Level).
7. HLTH 5063 Human Behavior (2002, 2003, 2004, 2007). Prairie View A&M University College of Education, Department of Health and Human Performance (Lead Instructor-Graduate Level).
8. HADM 2013 Health Services Organization (2000). Houston Baptist University, College of Nursing, Center for Health Studies (Lead Instructor-Graduate Level).
9. HLTH 5043 Alcohol and Drugs (2000, 2002, 2005). Prairie View A&M University College of Education, Department of Health and Human Performance (Lead Instructor-Graduate Level).
10. HLTH 5193-01 Community Health (1999, 2003, 2004, 2005, 2006). Prairie View A&M University College of Education, Department of Health and Human Performance (Lead Instructor-Graduate Level).
11. HADM 2011 Applied Research Methods (2000, 2001). Houston Baptist University, College of Nursing, Center for Health Studies (Lead Instructor-Graduate Level).

Curriculum Vitae- Ronald J. Peters, Jr.

12. HLTH 3304 Adolescent Health Issues (1998, 1999). University of Houston, College of Education, Department of Health and Human Performance (Lead Instructor-Undergraduate Level).
13. HLTH 3381 Health Promotion and Disease Prevention (1999) University of Houston, College of Education, Department of Health and Human Performance (Lead Instructor-Undergraduate Level).
14. HSHA 413 Community Health Administration (1995, 1998, 1999). Texas Southern University, College of Pharmacy and Health Sciences (Lead Instructor-Undergraduate Level).
15. HSHA 312 School-based Health (1996-1999). Texas Southern University, College of Pharmacy and Health Sciences (Lead Instructor-Undergraduate Level).
16. HSHA 313 Health Care of the Poor (1997-1999). Texas Southern University, College of Pharmacy and Health Sciences (Lead Instructor-Undergraduate Level).
17. HSHA 262 Health Care Policy (1997-1999). Texas Southern University, College of Pharmacy and Health Sciences (Lead Instructor-Undergraduate Level).
18. HSHA 414 Issues in Health Care (1997, 1998). Texas Southern University, College of Pharmacy and Health Sciences (Lead Instructor-Undergraduate Level).
19. HSHA 211 Health Information Systems (1997 -1999). Texas Southern University, College of Pharmacy and Health Sciences (Lead Instructor-Undergraduate Level).
20. HADM 4015 Epidemiology (2001, 2002). Houston Baptist University, College of Nursing, Center for Health Studies (Lead Instructor-Undergraduate Level).

Teaching Assistantships

1. PH 7115 Theory and Methods I: Health Promotion and Health Education (1995). University of Texas at Houston, School of Public Health.

GRANT AWARDS

1. Principal Investigator, NCI Mentored Career Development Award for Underrepresented Minorities (K01). The purpose of the mentored research award is to conduct three successive studies yielding empirical findings, intervention development, and research experiences to prepare the principal investigator for a research career in cancer prevention and smoking cessation for African American youth. Funded by the National Cancer Institute; 5K01CA104705 (588,506 total direct cost; 5-01-05 to 6-30-10).
2. Principal Investigator, *Houston ADAM: Arrestee Drug Abuse Monitoring Program*. The purpose of the study is to track trends in the prevalence and types of drug use among booked arrestees in urban areas. The data plays an important part in investigating national trends between drug use and crime. Funded by the National Institute of Justice; OJP-98-R-001 (\$280,000 total direct cost; 8-1998 to 8-2000).
3. Research Fellow, *Teenage Smoking Cessation CD-ROM, Minority Supplement*. (S. Kelder, PI) The purpose of the study is to fully investigate the multitude of key theoretical and qualitative questions that will refine the CD-ROM program. The research plays an important role in furthering our knowledge of basic traditional and new determinates of smoking behavior. In addition, it affords a better understand of the ethnic differences among cigarette smoking and abstention behavior. Funded by the National Cancer Institute; 3R01CA081934-S1 (\$199,363 total direct cost; 8-1-00 to 6-30-04).

4. Investigator, *HIV Prevention among Alternative School Youth*. (S. Tortolero, PI) The purpose of the study is to improve the HIV risk taking behaviors of young people enrolled in alternative schools, Funded by the National Institute of Child Health and Human Development; 5R01HD038457 (\$2,286,734 total direct cost; 5-1999 to 5-2004).
